## **Performance Appraisal Employee Guide 0219 2015:**

**Armstrong's Handbook of Performance Management** Michael Armstrong, 2017-12-03 Armstrong's Handbook of Performance Management addresses all areas of performance management from performance pay and giving feedback to managing underperformers and having difficult conversations so organizations can optimize staff performance. This fully updated and restructured 6th edition analyzes traditional as well as the latest developments in performance management including the shift from ratings and annual reviews. Veteran HR expert Michael Armstrong examines where these new approaches should be embraced and where traditional methods of performance management may be preferable. Packed with examples, exercises, checklists, and new case studies from organizations such as Microsoft, IBM, and Expedia, this book remains the most authoritative and engaging textbook on performance management. Supporting online resources for Armstrong's Handbook of Performance Management include an instructor's manual, a student's manual, lecture slides, a glossary of terms, and a literature review.

**Human Resource Management in Public Service** Evan M. Berman, James S. Bowman, Jonathan P. West, Montgomery R. Van Wart, 2019-03-04 Recognizing the inherent tensions and contradictions that result from managing people in organizations, *Human Resource Management in Public Service: Paradoxes, Processes, and Problems* offers provocative and thorough coverage of the complex issues of management in the public sector. Continuing the award-winning tradition of previous editions, this Sixth Edition helps students to understand complex managerial puzzles and explores the stages of the employment process including recruitment, selection, training, legal rights, and responsibilities, compensation, and appraisal. Grounded in real public service experiences, the book emphasizes hands-on skill building and problem solving. New to the Sixth Edition: Ethics case studies have been added to all the chapters, enabling students to learn about a variety of ethical situations that come up in management. Updated and consolidated recruiting strategies offer students a window into the most current methods used in the recruitment process and provide insight into the job seeker's perspective. New examples from a broad range of local, state, federal, and international settings enable students to apply key concepts to common management issues.
