READ:
1 Peter 2:13-25

*Submitting yourselves
one to another in the
fear of God.*

Ephesians 5:21

Often, when a wife is influenced by demons, she will reject her husband's authority. The words of the husband are despised and rejected. There is an angry reply to every instruction. There is a rejoinder to every bit of advice. I have watched as certain wives became deceived through familiarity.

The same thing happens in churches. Deceived church members rise against God's servant, calling him a tyrant but they do not know that they are totally deceived. Evil spirits of deception are taking hold of them. Jesus said, "Judge not." While on earth, we will never see

clearly enough to judge correctly. Churches are full of, critical, fault-finding and judgmental people. One of the highest kinds of deception, of demonic infiltration you can have in the church is to fight against the pastor. Show me a church with critical people and I will show you a church filled with demons.

Authorities in a nation must also be honoured and respected. It is in the rebellious underworld of cities that satanic and demonic activities thrive. Prostitution and armed robbery are examples of the activities of those who stand against authority in any nation. People under demonic control cannot be controlled by pastors, husband or any authority figure. "None could bind him, no not with chains"(Mark 5:3). Is that the description of your life? None can lay hands on you? None can be a father to you? None can be a pastor to you? None can be a husband to you? None can bind you, not even with chains!

Personal Devotional Guide 2015:

Coming of Age in Jewish America Patricia Keer Munro, 2016-05-01 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child's bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family's ongoing connection to the core values of Judaism *Coming of Age in Jewish America* takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity

The Virgin Mary in Byzantium, c.400-1000 Mary B. Cunningham, 2022-09-08 Examines the role of the Virgin Mary in Byzantine society focusing on religious texts that promoted her cult

The Middle English Book Michael Johnston, 2023 A new account of Middle English book production and circulation that analyzes 202 literary manuscripts from late medieval England 1350 1500 to show how the production of documents underscored the wide availability of literary copying

Philosophy of Devotion Paul Katsafanas, 2022 Paul Katsafanas examines the role of devotion as an ethical stance in human life Devotion typically involves treating certain values goals or relationships as inviolable incontestable and invulnerable to argument Katsafanas argues that devotion can be reasonable and suggests how it can avoid deforming into fanaticism

Living Pictures Noa Turel, 2020-09-25 A significant new interpretation of the emergence of Western pictorial realism When Jan van Eyck c 1390 1441 completed the revolutionary Ghent Altarpiece in 1432 it was unprecedented in European visual culture His novel visual strategies including lifelike detail not only helped make painting the defining medium of Western art they also ushered in new ways of seeing the world This highly original book explores Van Eyck's pivotal work as well as panels by Rogier van der Weyden and their followers to understand how viewers came to appreciate a world depicted in two dimensions Through careful examination of primary documents Noa Turel reveals that paintings were consistently described as *au vif* made not from life but into life Animation not representation drove Van Eyck and his contemporaries Turel's interpretation reverses the commonly held belief that these artists were inspired by the era's burgeoning empiricism proposing instead that their living pictures helped

create the conditions for empiricism Illustrated with exquisite fifteenth century paintings this volume asserts these works key role in shaping rather than simply mirroring the early modern world *Devotional Sovereignty* Caleb Simmons,2020

Devotional Sovereignty Kingship and Religion in India investigates the shifting conceptualization of sovereignty in the South Indian kingdom of Mysore during the reigns of Tipu Sultan r 1782 1799 and Krishnaraja Wodeyar III r 1799 1868 Tipu Sultan was a Muslim king famous for resisting British dominance until his death Krishnaraja III was a Hindu king who succumbed to British political and administrative control Despite their differences the courts of both kings dealt with the changing political landscape by turning to the religious and mythical past to construct a royal identity for their kings Caleb Simmons explores the ways in which these two kings and their courts modified and adapted pre modern Indian notions of sovereignty and kingship in reaction to British intervention The religious past provided an idiom through which the Mysore courts could articulate their rulers claims to kingship in the region attributing their rule to divine election and employing religious vocabulary in a variety of courtly genres and media Through critical inquiry into the transitional early colonial period this study sheds new light on pre modern and modern India with implications for our understanding of contemporary politics It offers a revisionist history of the accepted narrative in which Tipu Sultan is viewed as a radical Muslim reformer and Krishnaraja III as a powerless British puppet Simmons paints a picture of both rulers in which they work within and from the same understanding of kingship utilizing devotion to Hindu gods goddesses and gurus to perform the duties of the king **A**

Animation between Magic, Miracles and Mechanics Hans Henrik Lohfert Jørgensen, Laura Katrine Skinnebach, Henning Laugerud, 2023-08-18 When it comes to images we are all animists Deep down we all know that images can at least potentially be alive or come to life Nowadays we may tend to rationalize our ingrained animism and explain it away as a mere projection only happening in the space between image and viewer In the Middle Ages

however imagery made enthusiastic use of magical miraculous and mechanical means of animation empowered and ensouled by both natural and supernatural principles of life This animist book investigates magic miracles and mechanics as motors of animation and seeks to understand the living image in solidarity with medieval experience rather than dismissive alienation of it Effigies did bleed weep or lactate either through divine intervention or through hydraulic machinery Statues did move or speak either as demonic oracles or as talking heads with implanted speaking tubes Marvels made by magic or by miracles were real as real as the wonders of physical mechanics moving bodily matter We just need to look and listen more carefully to comprehend these fluid realities even when especially when they challenge our received worldview Animation was by no means uncontested or uncontradicted but even its stiffest critics knew that gods and demons could intervene in inanimate matter to set it in motion to speak in tongues and exude the liquids of life
