

Student Model

Charlotte, the seventh-grade writer of this model, organizes her essay into paragraphs that describe different aspects of her subject. The closing leaves the reader with a clear idea of the important place her grandfather holds in her memory.

The Great Paw Paw

Memory. The dictionary defines it as the mental ability to recall past experiences. We think of it as that picture we saw, the words she said. Who in your life is so vivid in your memory that you could describe him or her without a second thought? For me, it's my grandpa. But when I was small, I couldn't say "Grandpa," so 13 years ago, Theodore Lazarus became Paw Paw.

To all the grandkids, Paw Paw was full of fun and games. We all remember his favorite expressions, the ones that would pop out each time we saw him. Luckily, we visited Paw Paw quite often. We often overheard his little squabbles. "No way, José!" Paw Paw would yell; in response, we would shout back, "Yes way, José!" and burst into giggles. My younger siblings and cousins would tell Paw Paw about school, or ballet, or baseball, or their pet iguana, and just when they got into the story, he'd roar, "No kiddin'!" with a huge smile on his face. Paw Paw helped us remember that life should be fun.

Being the oldest of all the grandchildren, I remember more than my siblings and cousins do, but we all remember how predictable Paw Paw's clothes would be. Most likely, he'd be wearing a white cotton shirt under another shirt, which was the kind that is red or blue, has one or two breast pockets, is plaid or striped, with buttons down the front. Being loose, it covered his big, round belly. He'd be sitting in the tall wooden chair in the corner by his desk, shouting into the black telephone with the big buttons.

Personal Narrative Sample Papers

Yijin Wang

Personal Narrative Sample Papers:

As recognized, adventure as skillfully as experience roughly lesson, amusement, as skillfully as understanding can be gotten by just checking out a book **Personal Narrative Sample Papers** along with it is not directly done, you could recognize even more more or less this life, a propos the world.
