Susie and Allison were best friends They planned to grow old together two grumpy old ladies on a crooked front porch but fate had other plans Allison fell ill with cancer Although they both knew the prognosis was not good they pressed forward with treatments and hope Hope sustained them for a while but the treatments didn t work Susie was forced to watch her best friend sicken suffer and ultimately die After losing Allison Susie feels as though she s losing her mind They call it a nervous breakdown and Susie is happy to believe the

doctors and move on except something has changed Somehow Susie can hear and communicate with Allison She suspects she really might have gone mad but soon the two friends realize they've bridged a miraculous gap between the living and the dead Together they travel through the afterlife on either side of the divide Through Allison's observations the two brave friends are able to seek out the meaning of their lives solve the mystery of death and forge a friendship that will last until eternity Cancer took Allison away hope returned her to Susie Their voyage is one of wonder and self discovery but most of all it is a story of devoted and never ending love

Ultimate Fitness Gina Kolata, 2007-04-01 The bestselling science reporter for The New York Times tells us what works and what doesn't when we work out Ultimate Fitness The Quest for Truth About Exercise and Health is Gina Kolata's compelling journey into the world of American physical fitness over the past thirty years It is a funny eye opening brow sweating investigation into the fads fictions and science of fitness training From the early days of jogging championed by Jim Fixx who later died of a heart attack to weight lifting cycling aerobics and Spinning Kolata questions such popular notions as the fat burning zone and spot reducing the effects of food on performance how much exercise helps build fitness and the difference between exercise to help the heart and exercise to change the body She explains the science of physical fitness and the objective evidence behind commonly accepted prescriptions Along the way she profiles researchers and mavericks who have challenged conventional wisdom marketed their inventions and sometimes bucked criticism only to back down from their original claims Ultimate Fitness spotlights the machines and machinations of the fitness industry and cuts through the marketing and hype not only to assess what is healthy but also to understand what our obsession with staying healthy says about American culture today
