Garner, 2025-06-24 This comprehensive study guide is intended to be a companion for the second edition of Basic Handbook of Police Supervision. It was developed to help readers and students test their knowledge of the contents of the sixteen chapter text. It was also designed to help the promotional students prepare for an examination based on the book. At the beginning of each chapter a summary of the contents is provided for each of this guide's sixteen chapters. The summary is followed by a series of questions designed to test and reinforce the reader's knowledge and understanding of the chapter. Each guide's question is in multiple choice format where the reader chooses the best answer for each question. The answers for each section follow at the end of each chapter along with the corresponding page numbers from the text where the subject is discussed. This is exceptionally useful as an additional learning tool. If used along with the book, the guide should increase the reader's comprehension and retention of the material found in the text. In addition, this study guide can also be an invaluable teaching instrument for instructors. *Catalog of the Police Library of the Los Angeles Public Library* Los Angeles Public Library.
