Manitoba Pharmaceutical Association Guideline:

## Minimum Pharmacy Policy and Procedures Manual Content

(Effective July 1, 2004 for new stores; January 1, 2005 for pharmacies licensed prior to January 1, 2005)

The Pharmaceutical Regulations to the Pharmaceutical Act provides for the establishment of minimum library contents for the pharmacy library. One of the library requirements is a Policy and Procedures Manual for the pharmacy. The purpose of this document is to describe the minimum content of the manual and to provide a tool that a pharmacy may use in the development of the manual specific to that pharmacy. The expectation is that the manual will be updated as circumstances in the pharmacy change (e.g. change of ownership, change of manager etc.) or at a minimum of every three years.
