Bedtime Stories (1 Cassette) James Finn Garner, 1994 *Comedic Nightmare* Marcel Danesi, 2022-11-21 The presidency of Donald J. Trump has had a considerable impact on American politics and society One of these was his altering of the comedic mood in America taking comedy away from many of its traditions His presidency turned comedy into political weaponry as comedians on the liberal side of politics turned their efforts to ridiculing Trump's buffoonish persona while on the conservative side a Trump supportive group of comedians mocked those very comedians who opposed Trump Trump himself emerged as a comedian performing his dark caustic comical routines with consummate skill at his rallies If comedy is a pulse for a country then it is legitimate to ask if that pulse still beats even after Trump lost reelection in 2020 This book will address this question examining how Trump's presidency interrupted the historical flow of American comedic traditions and how it spread a dark mood throughout American society
