Paizis,1998-09-07 The popularity of romance fiction is such that it constitutes nearly one quarter of new paperback fiction

printed in the world Its success depends on its ability to reflect and articulate the reader s aspirations for a better life and stands at the same time as a testament to her alienation This fresh look at the romantic fiction seeks to discover the reason for its appeal by combining analysis of the poetics of the genre with a study of the real reader s intervention **Book Girl and the Captive Fool (light novel)** Mizuki Nomura,2012-12-18 When Tohko learns that someone is vandalizing books in the school library she immediately launches an investigation After all there is hardly a more serious crime imaginable to a literature eating goblin Of course Konoha is pulled reluctantly into his capricious club president s latest obsession and when the culprit is caught his penance is to participate in a play that Tohko has decided to organize for the school s cultural festival Just as Oscar Wilde posited that Life imitates Art far more than Art imitates Life Konoha begins to notice similarities emerging between the circumstances that led to the vandalism of the library books and the relationships borne out in the literature club s play The sometimes frightening ties between people force Konoha to reexamine his understanding of true friendship but will Konoha s newfound openness only leave him more vulnerable to betrayal **The Literary Digest**

International Book Review Clifford Smyth,1925 *The Bookman* ,1920 **The New Southern Girl** Caren J. Town,2004-06-03 Much has been written about America s troubled teens particularly endangered teenage girls Works like Mary Pipher s *Reviving Ophelia* and many others have contributed to the general perception that contemporary young women are in a state of crisis Parents educators social scientists and other concerned individuals worry that our nation s girls are losing their ambition moral direction and self esteem as they enter adolescence which can then lead them to promiscuous sex anorexia drug abuse and at the very least declining math scores In spite of evidence to the contrary in life and literature this bleak picture is seldom challenged but a good place to begin may be with recent literary representations of young women fictional and autobiographical which show proud young women who are highly focused and use their brains and good humor to work toward satisfying adult lives This book addresses the ways in which 12 women writers use their heroines stories to challenge commonly held and frequently damaging notions of adolescence femininity and regional identity The book begins with a chapter on sociological and literary theories of adolescent female development This chapter also includes theoretically informed discussions of young adult fiction and Southern literature Chapters that follow focus on adolescent heroines in the novels and autobiographies of the contemporary Southern women writers Anne Tyler Bobbie Ann Mason Josephine Humphreys Dorothy Allison Kaye Gibbons Tina Ansa Janisse Ray and Jill McCorkle and young adult writers Katherine Paterson Mildred Taylor and Cynthia Voigt Instructors considering this book for use in a course may request an examination copy here **Girls who Went Wrong** Laura Hapke,1989 Hapke examines how writers attempted to turn an outcast into a heroine in literature otherwise known for its puritanical attitude toward the fallen woman She focuses on how these authors all male expressed late Victorian conflicts about female sexuality Hapke reevaluates Crane s *Maggie A Girl of the Streets* discusses neglected prostitution fiction by authors Joaquin Miller Edgar Fawcett and Harold Frederic and surveys
