Report on Female Infanticide W. R. MOORE (B.C.S.),1859 **The Routledge International Handbook on Femicide and Feminicide** Myrna Dawson,Saide Mobayed Vega,2023-05-31 This volume explores in depth femicide and feminicide bringing together our current knowledge on this phenomenon and its prevention No country is free from femicide feminicide which represents the tip of the iceberg in male violence against women and girls Therefore it is crucial and timely to better understand how states and their citizens are experiencing and responding to femicide feminicide globally Through the work of internationally recognised feminist and grassroots activists researchers and academics from around the world this handbook offers the first in depth global examination of the growing social movement to address femicide and feminicide It includes the current state of knowledge and the prevalence of femicide feminicide and its characteristics across countries and world regions as well as the social and legal responses to these killings The contributions contained here look at the accomplishments of the past four decades ongoing challenges and current and future priorities to identify where we need to go from here to prevent femicide feminicide specifically and male violence against women and girls overall This transnational multidisciplinary cross sectoral handbook will contribute to research policy and practice globally at a time when it is needed the most It brings a visible global focus to the growing concern about femicide feminicide underscoring the importance of adopting a human rights framework in working towards its prevention in an increasingly unstable global world for women and girls **Annual Report** India. Department of Women and Child Development,2007 *A Classified List of Reports and Other Publications in the Record Branch of the India Office, April 1883* India Office Records,1883 *Human Rights of Minority and Women's: Women and human rights development* Indrani Sen Gupta, Civilizing Missions in Colonial and Postcolonial South Asia Carey A. Watt,Michael Mann,2011-03-15 *Civilizing Missions in Colonial and Postcolonial South Asia* offers a series of analyses that highlights the complexities of British and Indian civilizing missions in original ways and through various historiographical approaches The book applies the concept of the civilizing mission to a number of issues in the colonial and postcolonial eras in South Asia economic development state building pacification nationalism cultural improvement gender and generational relations caste and untouchability religion and missionaries class relations urbanization NGOs and civil society **Female Infanticide, Its Causes and Solutions** R. Muthulakshmi,1997 *Female Infanticide* a social problem is a multi dimensional phenomenon in Tamilnadu This work is an attempt to study the problem historically and in a futuristic perspective After analysing this social evil a few suggestions are also made to solve this problem A dozen case studies are presented by the author in order to identify the various dimensions of the problem The author has tried to make theoretical framework as strong as possible in order to provide the right focus As female infanticide has been rampant in the Usilampatti area of Tamilnadu the area has been chosen for analysis The study includes the analysis of the views of women on female infanticide before and after the introduction of the Adult Education Programme **Issues**

in Women's Rights K M Baharul Islam,2014-04-25 A key challenge facing the overall women s rights scenario in any remote region like Northeast India is availability of trained lawyers in local courts to assist the aggrieved women to fight their rights violation cases or otherwise guard their interests in a dispute Such legal services embracing both individual access to justice and public interest law transcending individual needs contribute to the rule of law good governance human rights empowerment of the poor and poverty alleviation The women s rights lawyers need special training and set of professional tools for forging the future of legal services and legal systems In order to address this gap a special training workshop was organized by PFI Foundation Guwahati in February 2012 This resource book is an outcome of that exercise It may be used as a Women s Rights Lawyers Handbook or a manual which is readily available for adoption by law schools to conduct similar programs and also act as a ready reckoner for the lawyers police officers administrators corporate human resource managers and chief executives of organizations The contents of the resource book contains training materials used at the training workshop individual research studies by the authors and a compilation of some important reference documents from different sources The book mainly covers issues like social security legislations free legal aid constitutional remedies marriage laws separation divorce maintenance offences of dowry violence against women rights at work place sexual harassment at work place Vishaka Guidelines etc
