THE 12th FLEUVIOSE, SECOND YEAR OF THE REPUBLIC,

[FEBRUARY 6th, 1794.]

By MAXIMILIEN ROBESPIERRE.

[Translated from a copy printed by order of the CONVENTION.]

PRINTED AND SOLD AT N°. 112, MARKET-STREET,
PHILADELPHIA, M DCC XCIV.

Report On The Principles Of Political Morality

Hans-Joachim Koch, Ulfrid Neumann

Report On The Principles Of Political Morality:

Report Upon the Principles of Political Morality, which are to Form the Basis of the Administration of the Interior Concerns of the Republic France. Convention nationale. Comité de salut public, Maximilien Robespierre, 1794

Report Upon the Principles of Political Morality, 1794 National Convention. Report Upon the Principles of Political Morality which are to Form the Basis of the Administration of the Interior Concerns of the Republic. [Translated from the French.] Maximilien Robespierre, 1794

Report Upon the Principles of Political Morality which are to Form the Basis of the Administration of the Interior Concerns of the Republic Maximilien Robespierre, 1794 **Report on the Principles of Political Morality** Maximilien Robespierre, France. Convention nationale, France. Convention nationale. Comité de salut public, 1794*

Report Upon the Principles of Political Morality Which Are to Form the Basis of the Administration of the Interior Concerns of the Republic. Made in the Name of the Committee of Public Safety Multiple Contributors, 2018-04-25 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars Delve into what it was like to live during the eighteenth century by reading the first hand accounts of everyday people including city dwellers and farmers businessmen and bankers artisans and merchants artists and their patrons politicians and their constituents Original texts make the American French and Industrial revolutions vividly contemporary The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library W008094 At head of title National Convention Printer s name supplied by Evans Parentheses substituted for square brackets enclosing two separate statements in title Philadelphia Printed and sold by Benjamin Franklin Bache at no 112 Market Street Philadelphia MDCCXCIV 1794 2 26 p 8 Political Morality Richard Vernon, 2001-08-02 Although liberal democratic polities have an important place in contemporary politics their justification is contentious Liberalism and democracy are commonly thought to be inconsistent or at least in tension with one another and the reality of liberal democracy is perceived as falling far short of the ideal In Political Morality Richard Vernon sets out to show that liberal democracy can make sense as a single political conception rather than a trade off between two different values He also argues that in conceiving of liberal democracy as proposed other problems inherent in liberalism and in democracy are eased liberal democracy is not exposed to the same objections as liberalism and it can avoid some of the paradoxes that are said to plague democratic theory The book also points to some of the ways in which polities currently termed liberal democracies fall clearly short of the values that might legitimize them **The Political Morality of Liberal**

Democracy Michael J. Perry, 2010 This important new work elaborates and defends an account of the political morality of liberal democracy

Essays on Political Morality Richard Mervyn Hare, 1998 R M Hare one of the most widely discussed of today's moral philosophers presents a selection of essays in which he brings ethical theory lucidly to bear on moral problems arising in politics He examines our obligation to obey the law the limits of legitimate lawbreaking civil violence and war rights of various sorts and their supposed conflict with utility justice distributive and retributive and care of the environment His arguments are amply illustrated by specific examples The volume substantiates the author's claim that help with such problems can be found in philosophy and particularly in his own ethical theory which draws together the best insights of Kant and utilitarians

The Political Morality of the Late Scholastics Daniel Schwartz, 2019-02-21 Examines the practical dilemmas both moral and political of peace time and war time as discussed by the Late Scholastics

The Morality of Freedom Joseph Raz, 1988 Morality of Freedom is the winner of the W J M Mackenzie Prize of the Political Studies Association for 1987

Contractarianism, Role Obligations, and Political Morality Benjamin Sachs, 2021-11-17 This book argues that contractarianism is well suited as a political morality and explores the implications of deploying it in this way It promises to revive contractarianism as a viable political theory breaking it free from its Rawlsian moorings while taking seriously the long standing objections to it It's natural to think that the state owes things to its people physical security public health and sanitation services and a functioning judiciary for example But is there a theory a political morality that can explain why this is so and who the state's people are This new contractarianism deploys a reversed state of nature thought experiment as the starting point of political theorizing From this starting point it develops a political morality a theory of the common ground of the role moralities attached to the various roles within the state Contractarianism so understood can provide a basis for already popular ideas in political theory such as political and legal liberalism and overturn conventional wisdom for example that the state is obligated to secure justice and that animals should have no legal standing

Contractarianism Role Obligations and Political Morality will be of interest to scholars and advanced students working in moral and political philosophy

Making Men Moral Robert P. George, 1993-08-19 Contemporary liberal thinkers commonly suppose that there is something in principle unjust about the legal prohibition of putatively victimless immoralities Against the prevailing liberal view Robert P George defends the proposition that moral laws can play a legitimate if subsidiary role in preserving the moral ecology of the cultural environment in which people make the morally significant choices by which they form their characters and influence for good or ill the moral lives of others George shows that a defence of morals legislation is fully compatible with a pluralistic perfectionist political theory of civil liberties and public morality

Political Morality in a Disenchanted World Edmund Abegg, 2013-06-20 Political morality concerns what programs and policies government ought to adopt What would this morality look like in a disenchanted world one in which rationality prevails The enchanted world is extensive including not just religion but traditional morality In this book Edmund Abegg constructs a coherent path

that leads from abstract psychological and moral theory to ideal political and economic scenarios and then to their real world applications which for him are in terms of national political goals These goals individual autonomy and welfare function as political morality in this new framework in place of traditional mythical ideas such as justice Descriptive chapters on our current world indicate that these goals are in play if only partly Concerning these national moral political goals which may be domestic or international the crucial distinction he seeks to establish is between aggregated or big picture goals and individualized goals The latter are typically seen as establishing individual rights This book establishes a framework that clarifies important public policy issues in a way not possible if a jungle growth of myth envelopes our efforts with confusion and unnecessary controversies

Freedom's Law Ronald Dworkin, 1999 Written by the world's best known political and legal theorist Freedom's Law The Moral Reading of the American Constitution is a collection of essays that discuss almost all of the great constitutional issues of the last two decades including abortion euthanasia capital punishment homosexuality pornography and free speech Professor Dworkin offers a consistently liberal view of the Constitution and argues that fidelity to it and to law demands that judges make moral judgments He proposes that we all interpret the abstract language of the Constitution by reference to moral principles about political decency and justice His moral reading therefore brings political morality into the heart of constitutional law The various chapters of this book were originally published separately and are now drawn together to provide the reader with a rich full length treatment of Dworkin's general theory of law

The Defence of Natural Law Charles Covell, 2016-07-27 The Defence of Natural Law comprises a study of the philosophies of law expounded by Lon L Fuller Michael Oakeshott F A Hayek Ronald Dworkin and John Finnis The work of these theorists is situated in relation to the modern tradition in legal philosophy In this way it is demonstrated that the theorists adhered closely to the natural law standpoint in legal philosophy while also defending the particular view of the proper functions of law and the state that distinguished the tradition of modern liberalism

Legal system and practical reason
Hans-Joachim Koch, Ulfrid Neumann, 1994 Aus dem Inhalt A Aarnio One Right Answer and the Majority Principle H Aoi Fikentschers Theorie der Fallnorm J A G Amado Justicia Democracia y Validez del Derecho en J Habermas O Ballweg Phronesis versus Practical Philosophy J Bengoetxea Legal System as a Regulative Ideal N Brieskorn Die Kantische Maxime und die richterliche Rechtsanwendung D Buchwald Rational Legal Justification E Bulygin On Legal Interpretation N MacCormick and J Wroblewski On Justification and Interpretation U Dopfer Ontologie der sozialen Rolle als Grundlage strafrechtlicher Entscheidungen V Frosini Prolegomena zur Auslegung des Rechts A Gangel Rechtsprechung Rechtsanwendung und Vernunftsgebrauch M P Golding Substantive Interpretation in Common Law Elaboration M van Hoecke The Use of Unwritten Legal Principles by Courts H R Horn Are there Several Theories of Legal Argumentation R Kevelson The Confusion of Language in Legal Thought F Lachmayer Visualisierung in der Rechtswissenschaft P J van Niekerk The Relevance of the Distinction between Legal Principles and Legal Rules M Pavcnik Rechtsanwendung oder

normative Konkretisierung des Gesetzes A Peczenik Why shall Legal Reasoning be Coherent K Pleszka Empirisches Wissen als Grundlage der teleologischen Interpretation u a Moral and Political Conceptions of Human Rights Reidar Maliks, Johan Karlsson Schaffer, 2017-07-25 In recent years political philosophers have debated whether human rights are a special class of moral rights we all possess simply by virtue of our common humanity and which are universal in time and space or whether they are essentially modern political constructs defined by the role they play in an international legal political practice that regulates the relationship between the governments of sovereign states and their citizens This edited volume sets out to further this debate and move it ahead by rethinking some of its fundamental premises and applying it to new and challenging domains such as socio economic rights indigenous rights the rights of immigrants and the human rights responsibilities of corporations Beyond the philosophy of human rights the book has a broader relevance by contributing to key themes in the methodology of political philosophy and addressing urgent issues in contemporary global policy making

The Legal Essays of Michael Bayles W.L. Robison, 2002-06-30 The legal essays by Michael Bayles in this collection display his commitment to utilitarianism both as a moral theory and an analytical device A utilitarian must choose between the best of all possible alternatives and so must lay out the alternatives and thus their consequences carefully and completely As it happens there is no better way of understanding why something is as it is in the law and no better way to lay the foundations for criticism and improvement than to lay out what the alternatives are carefully distinguishing them their justifications and their implications for changing other areas of the law and for changing our relation to the law Bayles was a master at such work and each essay thus repays careful study for anyone concerned about the law The essays cover a wide variety of topics from contract law to the criminal law from torts to theory and form a natural set Laying out the alternatives in one area makes it much clearer how and why alternatives in other areas are acceptable or required Interconnections within the legal system as a whole not readily visible when studying one area of the law become obvious when several are laid out side by side using the analytical skill required by a good utilitarian *The Law of Nations in Political Thought* C. Covell, 2009-07-09 Charles Covell examines the law of nations encountered in the work of major political thinkers from Vitoria to Hegel He explains how these thinkers contributed to the current theories of natural law and just war and how they played a key role in the elaboration of the principles which are central to the modern system of the law of nations

Adopting the Song of Expression: An Emotional Symphony within **Report On The Principles Of Political Morality**

In a world consumed by screens and the ceaseless chatter of immediate connection, the melodic beauty and emotional symphony produced by the prepared word usually fade into the background, eclipsed by the persistent sound and disturbances that permeate our lives. However, located within the pages of **Report On The Principles Of Political Morality** an enchanting fictional treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this captivating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching review, we can investigate the book is key harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
