Report Do Not Call Abuse:

Federal Trade Commission Report to Congress, Pursuant to the Do Not Call Implementation Act, on Regulatory Coordination in Federal Telemarketing Laws , Sexual Justice Alexandra Brodsky,2025-10-16 A pathbreaking work for the next stage of the MeToo movement showing how we can address sexual harms with fairness to both victims and the accused and exposing the sexism that shapes today's contentious debates about due process Over the past few years a remarkable number of sexual harassment victims have come forward with their stories demanding consequences for their assailants and broad societal change Each prominent allegation however has also set off a wave of questions some posed in good faith some distinctly not about the rights of the accused The national conversation has grown polarized inflamed by a public narrative that wrongly presents feminism and fair process as warring interests Sexual Justice is an intervention pointing the way to common ground Drawing on core principles of civil rights law and the personal experiences of victims and the accused Alexandra Brodsky details how schools workplaces and other institutions can indeed must address sexual harms in ways fair to all She shows why these allegations cannot be left to police and prosecutors alone and outlines the key principles of fair proceedings outside the courts Brodsky explains how contemporary debates continue the long sexist history of rape exceptionalism in which sexual allegations are treated as uniquely suspect And she calls on readers to resist the anti feminist backlash that hijacks the rhetoric of due process to protect male impunity Vivid and eye opening at once intellectually rigorous and profoundly empathetic Sexual Justice clears up common misunderstandings about sexual harassment traces the forgotten histories that underlie our current predicament and illuminates the way to a more just world *Report on the Activity of the Committee on Energy and Commerce for the ...
