

Attn: ,

I am special agent Brian D. Lamkin; from the Intelligence Unit of the Federal Bureau of Investigation (FBI). We just intercepted/confiscated two (2) Trunk Boxes at the Harts field Jackson International Airport in Atlanta Georgia. We are on the verge of moving this consignment to the bureau headquarters. However, we scanned the said boxes and found out that it contained a total of USD\$4.1M and some back up documents which bears your name as the owner of the funds. Investigation carried out on the Diplomat who accompanied these boxes into the United States, revealed that he was to make the delivery of the funds to your residence as these funds are entitled to you, being Contract/Inheritance over due payments. The funds were from the office of the Ministry of Finance, Federal Government of Nigeria.

Furthermore, after cross checking all the legal documents we found in the boxes backing you up as the beneficiary of the funds, it became known to us that one of the documents is missing. This document is very important and until we get the document, the boxes will be temporarily confiscated pending when you will provide it. The much needed document is the Diplomatic Immunity Seal of Delivery (DISD). This document will protect you from going against the US Patriot Act Section 314a and Section 314b . This delivery will be tagged A Diplomatic Transit Payment (S.T.D.P) once you get the document.

You are therefore required to get back to me within 72 hours so that i will guide you on how to get the much needed document. Failure to comply to this directives may lead to the permanent confiscation of the funds and possible arrest. We may also get the Financial Action Task Force on Money Laundering (FATF) involved if do not follow our instructions. You are also advised not to get in contact with any Bank in Africa, Europe or any other institution, as your funds are here now in the United States of America.

Yours faithfully,
AGENT BRIAN D. LAMKIN
