Caught By My Professor (Student/Teacher First Time Taboo Erotica) Jessica Whitethread,2014-10-03 Reader Advisory This story is for mature audiences only and features intensely erotic situations between an older man and a young woman taboo teacher student relations discipline spanking humiliation deflowering submissiveness and dominance All characters are 18 or older Rachel Stanton has always found ways of using her good looks to get ahead and when she arrives in college it doesn't look like that's going to have to change But her easy ride runs out when her professor Alex Cossaign notices her flirting with a classmate only to copy his course work The handsome professor decides it's time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like

Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Brad I really don't understand why that's so necessary How do you know I don't like him I find myself blushing deeper crimson I mean he's not the single most handsome man I can think of I say but a girl's gotta take what she can get right Sometimes I just get lonely don't you I wince slightly as I hear the last words come out of my mouth That may have been taking it too far That's a very interesting perspective Rachel he says in a neutral voice But surely if you cared about him you wouldn't be manipulating him into giving you his work when he clearly didn't want to I let out an exaggerated sigh But Professor I say is it really that simple Sometimes you need something from someone and you're in a position to offer a sort of trade right A little affection to help get someone off the hook I've definitely warmed to my audience This all has to be having an effect He sits back and considers me for a long moment taking me in all of me The blush in my cheeks deepens still further as I find myself suddenly a little bit self-conscious What are you doing Rachel he asks Why do you think it's appropriate to act this way Or dress this way He makes a vague gesture I draw back slightly This isn't the reaction I expected Like what Professor You playing the slut to get what you want Do you think I'm some kid who'll go weak kneed if you smile at me with your's hanging out What are you talking about

Professor I ask as innocently as I can my heart beginning to hammer He seems angry It occurs to me I could get in legitimate trouble for this What am I talking about he asks I m talking about this He grabs the loose flap of cloth of my partially open blouse and shakes me by it inadvertently pulling apart the other buttons in the process The garment falls open If it weren t obvious enough already that I m not wearing a bra it s pretty f ing obvious now I look down and then back up at him in shock forgetting to cover myself He draws in a sharp breath as my sudden nakedness catches us both by surprise Busted by the Professor (Student Teacher Older Woman Younger Man Taboo Erotica) Liliana Troy, Jared never thought his first semester at college would give him any trouble least of all Art History But finding Professor Liliana Troy in front of his class changes everything If he can only stop staring at her long enough to suppress the growing tension in his nether regions perhaps he can get out of there without doing anything to endanger his school record or his relationship with High School Sweetheart Ann Unfortunately fate as well as an appendage with a mind of its own has other ideas This story contains explicit descriptions of sex between a college professor and her younger student in a classroom setting and is intended for adult audiences only **Disciplined in the Dean's Office (Gay Student/Teacher Discipline Erotica)** S M

Partlowe,2015-04-23 Reader Advisory This story is for mature audiences only and features intensely erotic situations taboo teacher student relations bdsm play discipline spanking humiliation anal sex submissiveness and dominance All characters are 18 or older Jackson doesn t know why he started the rumor about Professor Vicarro his young and handsome politics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Iverson himself and when Jackson is called down to the office on a Friday afternoon he finds out the dean s heard a lot more Once past the initial mortification he can admit he s probably earned the spanking he ll get but did Mr Iverson really have to tell Professor Vicarro about the whole thing too Surely he ll find his own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Vicarro my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel him considering me Won t you say something Professor I finally blurted I m trying to understand you Jackson What s to understand I shouldn t have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I m just so incredibly embarrassed professor He blinked in surprise Then he started to laugh Is that what it was he said I thought I saw something in the way you looked at me and it made the lie all the harder to understand He closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I m sorry He loosened his necktie and ran a frustrated hand through his dark hair Even though it was wildly inappropriate given the situation I couldn t help but find him even more alluring when angry than when he was calm and collected He seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that he

had probably been the type to get into a lot of trouble when he was younger He turned back to look at me and caught me staring His eyes locked to mine freezing me in place and I watched a faintly appraising look come into his face Well what are we going to do about this he asked The question sounded rhetorical so I watched him without answering Tell me he said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Naughty Rumors with full consent of the original author Bred By My Professor (First Time Breeding Erotica) Stacy Stone, I was nineteen and so shy but tired of being untouched When I caught my college professor looking at my cleavage I knew he wanted me so I decided to approach him after class and flirt with him a little bit One thing quickly led to another and before I knew it my professor had bent me over his desk and was pumping into me from behind He filled both my holes switching back and forth It felt so good and I couldn t believe it was happening My wildest fantasies had come true and my hot naughty professor was pounding me with his big rod keywords naughty taboo hot erotica story anal sex breeding erotica erotic romance for women bbw curvy alpha male domination and submission sex stories dominant man submissive woman **Fertile Professor 1** Belle Hart,2016-10-05 Trudie is a sexy older Latina woman who teaches English literature at a university She secretly has a crush on one of her students but is trying to resist his advances At the same time she s toying with the idea of having a one night stand with a stranger in order to get pregnant Fate intervenes and combines her two desires This is story 1 of the Fertile Professor series This story is also included in the ebook Fertile Professor The Collection Length Short Story 4400 words Adults only erotica sex romance breeding impregnation milf cougar professor student latina may december older woman younger man interracial knocked up teacher breeding fetish impregnation fetish explicit **BDSM ON CAMPUS** Sonata Sorento,2020-07-19 This collection is hot as hell and you re going to love to these stories You will find plenty of rough sex group sex and mind blowing sexual adventures No matter what you re into it this hot collection is perfect for you Inside the book you will also find instructions so you can get a free audiobook What are you waiting for Click to download now and this baby will be yours Warning This ebook contains very explicit descriptions of sexual activity and includes first lesbian sex first anal sex rough sex group sex wife sex domination double penetration and more explicit content Only mature adults who won t find that offensive and are legally able to view such content should read this ebook
