

Application Paper: Unit 3

Instructions

Write a short paper (3 pages double-spaced, 12-point font, 1-inch margins) that covers the following points:

- Briefly describe your client (i.e., age, life-stage, significant life details, etc.), and his/her presenting career concern (i.e., why s/he came for career counselling).
- Describe what this client thinks and how this client feels about coming to counselling. Identify and describe any reasons for reluctance or barriers to a working alliance that this client may present (e.g., previous negative experience with a counsellor, did not come of his/her own choice, etc.).
- Outline and explain/justify your strategy by which to develop a working alliance with this client. Explain why it is essential to develop a working alliance before you start “solving” the problem.
- Describe strategies you could use to help define the client’s problem.
- Based on the client’s story, define and prioritize the client’s problem(s) (as applicable) and write the problem(s) as a constraint statement(s).

Include a brief introductory paragraph (with a thesis/purpose statement) and a brief concluding paragraph. Feel free to use subheadings if this helps you to organize your writing. Cite your sources and format your reference page using APA style (6th ed.).
