

Music Appreciation Paper

Every musical needs two things script and music, the musical that I saw at the civic center "A Funny Thing Happened on the way to the Forum." It is witty characters and humorous songs made it a delight to see and you left with a smile. The music was the best out of the whole play. The orchestra was small having a piano, two violins, bass guitar, reed one and two, trumpet one and two, trombone, and percussion each instrument being a big part of production. The play starts with a song "comedy to night" giving a background in the streets of ancient Rome of three houses.

The center of the house Senex who lives there with his wife Domina, son Hero, and the many slaves them owned. Hero has his own slave Pseudolus who is the main character and head slave Hysteria. One of the other neighbors is owned my Marcus Lycus, the house is a whorehouse. The other neighbor is Erronius who has been gone for many years trying to find his children who were abducted my pirates. Thing singer who plays Pseudolus tone was raspy, pitch high, two beats, and tempo allegro the music flowed well and pulling the audience in quickly with it being very humorous.

I thought the texture was monophonic being only one person singing the song and form being AB. The song ends giving a summary of the whole play, and it goes on to the next song. Hero the son of Senex has fallen in love with a girl who he has never spoken too. He starts to sing "love, I hear" his tone was rich, pitch was high, dynamic was mezzo forte, the tempo of the song was allegro it was a lovely song that expressed his love for a girl he has never spoken to. The song had two beats with the texture of the music monophonic because it was only one person singing it. After he ends he tells his slave Pseudolus if you get me that girl.

I will let you be free and Pseudolus is so shocked that he cannot believe it and starts to sing "free" his texture is very raspy, with tempo vivace, and dynamics Mezzo Piano. The pitch is high and form verse course and recitative singing like speech. This song was very funny and a great laugh. The play goes on to Pseudolus and Hero trying to think of plan so they go to Lycus house to find the girl to buy her from Lycus. When the song "the house of Marcus Lycus" starts to play, this song is made more dancing then singing the pitch is low, form was verse then instrumental, the tempo moderato, and dynamic mezzo forte.

This song has a lot of bras and saxophone. The next song "lovely" where tone color of Hero is dark and Philia is bright, the pitch is high, the dynamics is forte, tempo of the music was andante, and with each the song being four beats. Pseudolus tries to keep them together; however, one problem Philia is to be married to the Caption a general for Rome. They Pseddolus, Philia, and hero start singing about what their life could be called "pretty little picture" it is high pitch, a funny song with the dynamic being forte.
