Research Paper Children

Patricia Moccia

Research Paper Children:

Rights and Wrongs of Children's Work M. F. C. Bourdillon, 2010 Explores the place of labor in children's lives and child development By incorporating recent theoretical advances in childhood studies and in child development the authors argue for the need to re think assumptions that underlie current policies on child labor Proposes a new approach to promote the well being development and human rights of working children From publisher description

Handbook on Positive Development of Minority Children and Youth Natasha J. Cabrera, Birgit Leyendecker, 2017-02-07 This Handbook presents current research on children and youth in ethnic minority families It reflects the development currently taking place in the field of social sciences research to highlight the positive adaptation of minority children and youth It offers a succinct synthesis of where the field is and where it needs to go It brings together an international group of leading researchers and in view of globalization and increased migration and immigration it addresses what aspects of children and youth growing in ethnic minority families are universal across contexts and what aspects are more context specific The Handbook examines the individual family peers and neighborhood policy factors that protect children and promote positive adaptation It examines the factors that support children's social integration psychosocial adaptation and external functioning Finally it looks at the mechanisms that explain why social adaptation occurs

Users' Needs Report on Play for Children with Disabilities Mara Allodi Westling, Tamara Zappaterra, 2019-11-05 The needs of children and parents about play when the child has a disability are explored by means of surveys to disability associations and families were collected during 2016 in 30 countries by members of the EU COST LUDI network Play for children with disability The users needs concerning play for children with disabilities are also explored by means of case studies at a country level based on literature reviews of available reports and empirical studies in Finland Lithuania and Sweden

How to Develop Children as Researchers Mary Kellett, 2005-03-23 An effective and meaningful way of enhancing children's learning doing research empowers children to participate actively in their own education and to make original contributions to knowledge The research carried out by children is also a vital key to improving our own understanding of children and childhood

Working for children Great Britain: Department for Work and Pensions, 2007-03-27 This strategy document sets out the measures the Department for Work and Pensions intends to take to help achieve the Government's target to eradicate child poverty by 2020 based on the principle that improving employment opportunities for parents is the most sustainable route out of poverty for themselves and their children These measures follow on from the 2007 Budget statement HCP 342 session 2006 07 ISBN 9780102944556 and form part of the Government's cross departmental strategy to tackle child poverty through a whole range of policy areas including tax and benefits health and housing childcare and education Measures announced include i extending the New Deal Plus for Lone Parents NDLP Plus to March 2011 and to cover all lone parents in London and to extend key elements of this support programme to two parent families on benefit in the current pilot areas and throughout London ii extending the In Work

Credit for Lone Parents scheme which provides an extra 40 per week for lone parents moving into work in 40 per cent of the country including most of London until June 2008 and to increase the rate payable in London to 60 iii pilot schemes to link the In Work Credit to adviser support to promote retention in work for lone parents based on the Employment Retention and Advancement model and iv a major expansion of work focused English as a Second Language provision delivered through the cities strategy pilots in East and West London

Work and the Well-Being of Poor Families with Children Andrea L. Ziegert, Dennis H. Sullivan, 2022-09-02 A 2023 Choice Reviews Outstanding Academic Title This work assesses the possibilities and limitations of reducing poverty among families with children by increasing the work effort of the adults in those families Following a historical review of family poverty since 1995 the authors present several policy simulations including increased employment a higher minimum wage more generous tax credits a child allowance and reduced childcare or medical expenses Specific policy proposals including the proposals of the Biden Administration are assessed using four criteria reducing child poverty equitable treatment of the poorest groups promotion of self sufficiency and cost effectiveness The authors conclude that while no single policy is able to reduce family poverty by half while meeting the other criteria several combinations of policies have the potential to do so

Early Learning Programs that Promote Children's Developmental and Educational Outcomes, 2012 The early years of life are the best opportunity to lay the foundations for a child's future Based on a review of the international and Australian research evidence this resource sheet identifies the characteristics of early learning programs that are effective in promoting developmental and learning outcomes Sections include Early learning programs in Australia Australian families use of early learning programs Early learning programs effects on children's learning and development Universal and targeted early learning programs Characteristics of effective early learning programs and Characteristics of effective early learning programs for Indigenous children The resource sheet outlines what works what doesn't and what further research is needed

Progress for Children Patricia Moccia, 2009 Undernutrition contributes to the deaths of about 5.6 million children under five in the developing world each year It can lead to poor school performance and dropout it threatens girls' future ability to bear healthy children and it perpetuates a generational cycle of poverty This volume of Progress for Children reports on the world's performance in improving nutrition in young children a crucial step towards meeting the Millennium Development Goals

The well-being of children in the UK (4th edition) Jonathan Bradshaw, 2011-07-04 The well being of children is a vital and highly topical issue This important new book is the third in a series and updates the findings from a wide range of data to evaluate the outcomes of the Labour government's policies for children Edited by a highly regarded expert in the field it uses a framework to compare policy areas making it an excellent source book for researchers policy makers and students

Play and Health in Childhood Julia Whitaker, Alison Tonkin, 2023-09-08 Taking a rights based approach to the interdependence of play and health in childhood this text argues that the child's right to health and development cannot be satisfied without also the fulfillment of their right

to play Underpinned by theory and real life case stories drawn from practice and family life Whitaker and Tonkin present what is known about the benefits of play and its potential to address the pressing health needs in the short and long terms of the youngest generation They define and discuss the concepts of childhood play health and human rights before exploring how play interacts with the four fundamental principles of the UN Convention on the Rights of the Child non discrimination best interests life survival and development and inclusion and participation The book then investigates how practitioners can advocate for the child s right to play to meet all their health and development needs It presents numerous examples of best practice from a range of settings including hospitals schools community initiatives charities families and more and incorporates the voices of children as they imagine a future in which play is elevated to a central position in their lives allowing for the achievement of lifelong health and happiness Exploring children s rights from a practical perspective this accessible book is essential reading for students and practitioners in healthcare social work community work early years and education
