Ernest Hemingway emerged as one of America's more colorful writers in the early to mid-1900s, presenting himself as the ultimate man's man, worldly traveler, mighty hunter and hard-drinking spinner of tales. Within a short span of time, 1925-1929, he had established himself as having produced some of the most important literary fiction in his century. His short stories focused on the virtues held by men a generation or two earlier than him as well as the effects and aftereffects of war. He was able to keenly observe what was going on around him in nature as well as in human affairs thanks to his early years while his newspaper experience gave him the ability to cut to the heart of a story (Griffin, 1999). Yet each story contained a deeper message within the lines, if the reader felt the desire to go searching for it. He believed in omitting extra details as a way of strengthening his stories. He compared this to an iceberg. Just like only the top 1/8th of an iceberg can be seen above the water with the rest remaining below the surface providing it with its momentum and dignity, Hemingway believed his stories should follow the same structure. Although some critics loved him, others said his stories were shallow. "He had no sympathy for women, they said, portraying them either as manhood-destroying bitches or as mere objects of sexual domination" (Lynn, 1987: 10). A close reading of his stories reveals not only the messages the author intended to send, but also some insights as to the way he felt about things. In *The Old Man and the Sea*, Hemingway reveals his conception of heroism not as a measure of the glory and recognition his character receives, but instead in the determination of the struggle.

The story is not a long one, although it is longer than a short story. Comprised of approximately 100 pages, *The Old Man and the Sea* details five days in the life of Santiago, who is an old Cuban fisherman who was once known as the champion fisherman of his village but has recently had a streak of bad luck, not having caught a single fish in 84 days by the time the story opens. Santiago is attended by his young apprentice, Manolin, who seems to be the only person in the village he still loves, but Manolin's parents are concerned about their boy working on a boat that catches no fish and order him to work on someone else's boat. Despite this, Manolin remains dedicated to Santiago, recognizing in him qualities that are not present in any of the other fishermen. In an effort to try to break his losing streak, Santiago sets off alone into the Gulf Stream in his little boat to try to catch one of the big fish that live out there. He

Research in Science, Commerce and Humanities" Prof. (Dr.) M. K. Patil,2024-04-21 Ray Bradbury's Fahrenheit 451 depicts a dystopian society where technology particularly in the form of mass media and censorship plays a central role in controlling and manipulating the populace. However, the novel also explores the paradoxical relationship between technology and human connection, highlighting both its potential for liberation and its capacity for oppression. This research paper aims to analyze the multifaceted portrayal of technology in Fahrenheit 451, examining its role in fostering isolation and conformity while also exploring its subversive potential as a tool for resistance and introspection. Through a close reading of the novel's themes, characters, and narrative structure, this paper elucidates Bradbury's nuanced commentary on the complex interplay between technology, knowledge, and freedom.

The Critical Reception of Hemingway's *The Sun Also Rises* Peter L. Hays,2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway's first major novel was received over the decades but also how different critical modes have dominated different decades and what besides, tenure critics of different eras looked for in it. As such, it shows what has interested critics, how they have reinterpreted the novel, and how they have seen the characters playing different roles. Thus, the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us.

Prospects for the Study of American Literature Richard Kopley, 1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in

analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain *That Other Hemingway* James D. Brasch, 2009-11-25 *That Other Hemingway* provides a referenced handbook to accompany Hemingway's online Library 11981 as it demonstrates Hemingway's dependence on his massive library as a basis for what he called invention in the manner of Henry James Cezanne and Tolstoy The insights of his personal Doctor Herrera and his long standing correspondence with Malcolm Cowley and Bernard Berenson reveal his desperate loneliness in Cuba and allow him an opportunity to analyze and promote his own theory of fiction All three sources are not available to critics or the general public this discussion provides profound insight into the last twenty years of his previously ignored life in Cuba *Hemingway's In Our Time* Wendolyn E. Tetlow, 1992 Many scholars consider *In Our Time* to be Hemingway's finest work yet the cohesiveness of this sequence of stories and interchapters has often been questioned Hemingway himself however had a clear idea of the work's integrity as his manuscripts and letters reveal As he wrote to his publisher Horace Liveright on 31 March 1925 There is nothing in the book that has not a definite place in its organization and if I at any time seem to repeat myself I have a good reason for doing so *Selected Letters* 154 According to Ms Tetlow author of this thoughtful study of Hemingway's *In Our Time* the relationship among the stories and interchapters is precisely analogous to that within a modern poetic sequence as characterized by M L Rosenthal and Sally M Gall in *The Modern Poetic Sequence The Genius of Modern Poetry* a grouping of mainly lyric poems and passages rarely uniform in pattern which tend to interact as an organic whole It usually includes narrative and dramatic elements and ratiocinative ones as well but its structure is finally lyrical 9 The structure of *In Our Time* then is similar to such works as Ezra Pound's *Hugh Selwyn Mauberley* and T S Eliot's *The Waste Land* works that progress tonally Looking closely at the language of *In Our Time* Ms Tetlow pays particular attention to recurring images and sounds and the successive sets of feeling these tonal complexes project She traces the lyrical pattern in the sequence as it builds in intensity from denial of fear suffering and death in the first stories and early interchapters and then traces the progression to cautious resignation in the latter stories and interchapters The author also takes into account the importance for Hemingway of Pound's and Eliot's aesthetics and demonstrates how Eliot's idea of the objective correlative and Pound's idea of direct treatment of the thing apply to Hemingway's stories and interchapters *Literary Essays* 3 Opening with a discussion of the six prose pieces in the original version the shorter *In Our Time* 1923 the study considers the aesthetic choices Hemingway made in revising these pieces when he incorporated them in his longer sequence of eighteen in *In Our Time* 1924 The study then discusses the lyrical progression of the prose sequence in the fully developed volume *In Our Time* 1925 Finally it looks at *A Farewell to Arms* and shows how the lyrical structure of *In Our Time* anticipates the longer work with its more continuous narrative pattern BOOK
