

ISSUES FACED BY THE TEACHERS ON TECHNOLOGY USAGE IN JUNIOR SCHOOL CLASSROOMS

Draft Research Proposal

CHAPTER 1 INTRODUCTION

1.0 Introduction

Technology is everywhere these days. The successful integration of technology into classrooms has been a goal for generations of instructional technology researchers and practitioners (Cuban, 1986). Today teachers have access to innovative tools that can be used to enhance the curriculum. Technology tools can be used by teachers which has given students a new way to do research, so that the teachers are allowed to offer a wider topic range, and provides available an endless amount of information to them. Furthermore, email connects teachers and students and they can work collaboratively with other teachers and students from everywhere. Other than that interactive whiteboards, class blogs, podcasting and social networking are also has been developed for classrooms use for teaching. Most believe that integrating technology into the curriculum can improvise the quality of education. Like many other countries, Malaysia also steps up to this idea.

Nowadays, students are no longer interested to be tied to the printed text such as books and magazine as an option to read. Instead, they can also read any documents or texts using the application in the computer. Students are required to benefit from the use of technology in the classroom. Research in the technology usage in classroom has the potential to prove that when teachers use technology tools in the classroom, students become more motivated to learn and are
