Soccer players and parents:

After eleven great years as head coach of the Lightning Varsity Girls' Soccer team and much thought I have decided to resign my head coach's position. Being a head coach takes an incredible amount of energy and at this time of my life I believe it is time for new leadership to take over. This has been one of the most difficult decisions of my life. I have been fortunate to have had the opportunity to work with some great players, parents, and coaches here at Eastview High School. Saying goodbye to my returning players is the hardest part of all of this, though I know they will move on and do fine without me, but I will miss the daily contact in the season with some of the finest student athletes and just great individuals here at EVHS.

Mr. Matt Percival, our athletic director will begin the process to fill my position immediately. He will seek input from the 2008 captains: Sam Mehr, Marissa Price, and Kelsey North as well as our Booster Club President: Kathy Schatz. Feel free to share with any of them any input on the head coach hiring process so they can pass on to Mr. Percival. Any interested internal candidates as well as qualified external candidates will be interviewed.

In the interim, Coach Herem and I will follow the processes we have in the past. Feel free to contact either of us with questions and/or concerns.

I want to once again express my appreciation for eleven great years as a head coach. Building a program from the very beginning here at EVHS has been an opportunity that few coaches have. I feel fortunate to have been given the chance and blessed to have been able to work with such outstanding players, parents, coaches, teachers, and administrators throughout my tenure. I look forward to continuing to watch the program grow under the new leadership. I look forward to continue being the Lightning Girls' Soccer program's number one fan! Thanks again to all for helping make being a varsity head coach at Eastview one of the great experiences of my life. Go Lightning!

DaLawn Parrish The Man Who Became a WISE Coach DaLawn Parrish, Gary A. Hughes, 2024-04-30 This colorful memoir captures and highlights the ups and downs of an African American boy who never stopped dreaming even as he became a man Coach DaLawn Parrish is a living legend and is not even fifty years old He has won six Maryland state championships and has nine state final appearances in only seventeen seasons DaLawn was being raised by his mother in Baltimore City when his little brother accidentally set a fire in their tiny apartment that destroyed the kitchen as well as the upper part of the building His family was forced to move DaLawn's mother was able to move her young family to Severn Maryland but it was in a highly drug infested area called Pioneer City When DaLawn was in high school his mother moved the family to Columbia Maryland and this is where DaLawn Parrish evolved into a highly decorated prep school football star He eventually went on to become a star football player at Wake Forest University however because of his own acknowledged mistakes a lack of guidance from Wake Forest University and the business side of professional football DaLawn was unable to fulfill his dream of making it to the NFL However his dreams and plans to be a successful teacher and a winning high school head football coach came true and has been amazing The journey came with its ups and downs which included stints as an assistant high school football coach in Howard County Maryland a pit stop year as a graduate assistant for the Rutgers University football team and a total of only four wins in his first three seasons as a head football high school coach Lastly Coach DaLawn Parrish's cold and unemotional stone cold face on the sidelines looks very intimidating during football games Fans who only see his stoic demeanor on the sidelines will discover a humble side of Coach Parrish they never knew existed Enjoy Coach P was one of those coaches who believed in me when nobody else did He knew talent when he saw it and he would get everything that he could out of you He's one of those coaches you want to play for you want to make plays for and you want to make him proud of you Personally I don't think I would have gotten the opportunities that came my way when I was coming out of high school without him I started playing football late and I made it further than the ones who were most talked about Ryan Smith Tampa Bay Buccaneers Coach P was the best coach I've ever had Real live pushed me to be great and would not accept anything else He made me want to be great and go show my talents He strengthened my mentality and helped me take those lessons to become a great man on and off the field Zach Pascal Arizona Cardinals Coach Parrish is not only a great and winning coach but a mentor and great builder of men especially coming from the circumstances I've come from During those times Coach Parrish took me in as his own and helped me become the man I am today Thank you Savion Williams XFL Coach Parrish helped instill in me a certain toughness edge about myself that I still carry until this day The culture he created truly gave us a head start and advantage over others It has allowed me to understand how to win at every level I play football John Daka Houston Roughnecks XFL Coach DaLawn Parrish is the reason I'm where I'm at currently in my career which is five years active in the NFL This man helped me reach my dreams that I thought were impossible to achieve Coach P pushed me

Role of a Lifetime: Larry Farmer and the UCLA Bruins Larry Farmer,Tracy Dodds,2023-02-21 Role of a Lifetime is the

story of the crucial role Larry Farmer played on teams that won three NCAA titles for UCLA under Coach John Wooden. Farmer's record at UCLA was 89-1, the greatest winning percentage in NCAA history. Kareem Abdul Jabbar was 88-2. Role of a Lifetime also details how Farmer, a self-taught player from the playgrounds of Denver, managed to secure a full scholarship, make the varsity team as a sophomore, and ultimately become the head basketball coach at UCLA at the age of 30, the first black head coach for any sport at UCLA. The book chronicles the reactions of black leaders to his role as the first black head coach, as well as the inside politics that led him to resign after three years as coach, just days after accepting a two-year extension. Farmer also shares new insights about UCLA athletic booster Sam Gilbert and his role in the team's NCAA probation. Farmer's insider perspective during UCLA basketball's most fabled period, combined with his natural ability to relate entertaining and informative anecdotes about legendary figures such as John Wooden, Bill Walton, Jamaal Wilkes, Reggie Miller, and many other famous players and coaches from throughout the world of college basketball, makes Role of a Lifetime a must-have for all Bruin fans and fans of basketball everywhere. *"It's Not the Heat, It's the Humidity, Stupid!"* Mike Fleming, 2022-10-04. NFL Head Coaches John Maxymuk, 2012-08-16. The 466 men who have held the increasingly demanding and prestigious position of Head Coach in the National Football League and the two leagues that merged into it, the All America Football Conference of the 1940s and the American Football League of the 1960s, form an exclusive club. This book essentially answers three questions about every professional head coach since 1920: Who was he? What were his coaching approach and style in terms of both leadership and gridiron tactics? How successful was he? Every entry begins with standard background information followed by each coach's yearly regular season and postseason coaching record, and then his statistical tendencies toward scoring, defense, and play calling. The entry then addresses the three questions noted above. A Biographical Directory of Professional Basketball Coaches Jeff Marcus, 2003-04-28.
