

CHURCH BOARD RESIGNATION LETTER

[DATE]

Dear [RECIPIENT NAME],

This letter serves as an official notice of resignation as member of the Board of Directors of the [NAME], effective [DATE 1]. This decision is a difficult one, but I believe that this will be for the best interest of myself and my family.

My position at the Church Board has given me a sense of purpose and passion, however, due to certain circumstances involving my family, it will be unfitting that I continue my service on the Board.

I would like to thank you for all of the support you have given us in the last few years. While the position is not always easy, we have a strong Board and an even stronger community that helps us give focus on our church-related activities and enables us to continue funding for our charitable causes. While I leave my post with regret, I hope and pray for the best for the church and the members that I am leaving behind.

If you have any questions or suggestions to help make this process easier, please feel free to contact me. Once again, thank you for the opportunity to serve. The Church and its congregation will always remain in my prayers.

Regards,

The Living Church, 1949 *Pastor and Professor* Donald Blosser, 2012-08-17 Pastor and Professor is one pastor's story of a rich life filled with experiences that tested his faith and demanded growth that was both exhilarating and painful. It is the personal story of moving from faith as right doctrinal belief to faith as a liberating response to a loving God, a God who is always with us continually drawing us into the future. This dynamic understanding of faith is based on the belief that the kingdom of God is a present reality where followers of Jesus are to be pastoral in spirit while prophetic in living. Don Blosser weaves personal experience with public expression of an emerging faith that wrestles candidly with the realities of life and deals with the pastor-professor tension of integrating academic scholarship in the classroom with pastoral proclamation in the pulpit. Pastor and Professor invites the reader to share a journey where faith is often challenged, sometimes doubted, yet lived with enthusiasm as it is shared from the pulpit and in the college classroom. It invites the reader to find fresh insights in the Scriptures and to live with new hope to embrace life more fully and to share more gently one's own story with others.

Conservative in Theology, Liberal in Spirit Karl Dahlfred, 2024-11-21 In the early twentieth century theological modernism was gaining ground in the Presbyterian Church in the U.S.A. Conservatives claimed that there were modernists on the mission field but that the Board of Foreign Missions was doing nothing about it. In Thailand the executive secretary of the American Presbyterian mission did not want to address the issue, claiming that almost all of our Mission are conservative in their theology and liberal in their spirit. But was it true? In this book Karl Dahlfred explores letters, reports, and other primary sources to reveal instances and indicators of modernism among Presbyterian missionaries in Thailand. Officially committed to making disciples of Jesus Christ, American Presbyterian missionaries were increasingly divided over what that meant and how to carry out their task. Were schools or evangelism the best mode of Christian influence? Did the gospel need adjustment for the modern world? The mission formally maintained a conservative consensus, yet modernism was present. And fundamentalist-minded missionaries were not happy about it. Scholars, missionaries, Thai Christians, and anyone interested in mission history or the long-term trajectory of Protestant work in Thailand will enjoy this exploration of an overlooked chapter in the history of Christianity in Thailand.
