Calvin and the Federal Vision Jeong Koo Jeon, 2009-06-12 John Calvin 1509-64 was the pinnacle of the sixteenth century Protestant Reformation in Europe. As we celebrate the five hundred year anniversary of his birth it is worthy to explore Calvin's covenant theology which may be one of the best windows to understand and evaluate his theology as a whole. In recent years the Federal Vision has been surfaced in the American conservative Reformed and evangelical circles. It has strong hermeneutical, theological, and practical attachment with Calvin. Although Calvin was a covenant theologian, he firmly maintained the evangelical distinction between law and gospel, especially in his exposition of justification by faith alone, *sola fide*, and salvation by grace alone, *sola gratia*, with a balanced emphasis of believers' covenantal obedience. Moreover, we will find out that Calvin not only applied the distinction between law and gospel to soteriology but also in the depiction of redemptive history. In Calvin, the distinction between law and gospel was foundational for the depiction of biblical vision of eschatology in the Garden of Eden before the Fall and under the Old Covenant. However, the exponents of the Federal Vision deny any validity of the distinction between law and gospel in hermeneutics, theology, and practice while they identify themselves with those of Calvin. In that sense, we may identify the Federal Vision not with the Protestant Reformation and Calvin but as consistent monocovenantalism in which they deny the distinction between law and gospel and apply that monocovenantal principle consistently to their understandings of hermeneutics, soteriology, the doctrine of double predestination, and sacramental theology.

Christ Versus. Satan in Our Daily Lives Robert Spitzer, 2020-10-27 Spiritual writer, theologian, and philosopher Jesuit Fr. Robert Spitzer tackles the topic of recognizing and overcoming spiritual evil. His focus is the human heart. His goal, our moral and spiritual transformation which leads to true peace and genuine happiness. The book is divided into two main parts: the realities of God's goodness and of spiritual evil, and recognizing and overcoming diabolical tactics which range from temptation and deception to the Deadly Sins. Father Spitzer shows readers how to experience God's peace even during times of suffering and persecution. He examines the basics of the spiritual life and Christian mysticism, including the contemplative dimension. He explains the purgative, illuminative, and unitive aspects of spirituality as well as the Lord's consolation and the passive Dark Night of the Spirit. Father Spitzer provides the biblical and theological background of Jesus' victory over Satan. The author also explores the reality of the Devil, including extraordinary manifestations of diabolic activity such as possession. He recalls the true story of the famous possession case on which the novel and film *The Exorcist* were based. In the final sections of the book, the author explains how diabolical spiritual forces operate, how temptation works, and what to do to defeat it, the deadly sins, and how to overcome them.
