

Romeo and Juliet Act 5 Study Guide

Act V Scene I

1. Explain the irony in the lines Romeo had about Juliet.

Romeo's soliloquy is ironic because he is discussing a dream which is very close to reality. Romeo is talking about his dream where he is dead and Juliet kisses him back to life. This is very close to the truth plan for Juliet. She will pretend to be dead and it will be Romeo who revives her. Of course, we know that it will not turn out this way. It is ironic that Romeo would have this dream just as Balthasar is bringing him the news of Juliet's death. We know that Juliet is not really dead. She could be revived from death just as Romeo was in his dream. Romeo and Balthasar do not know she isn't really dead. This is an example of dramatic irony because we, the audience, know something that they, the characters, do not.

2. As Balthasar gives Romeo news of Juliet, what news is Romeo waiting for? Is Balthasar the master messenger?

Romeo comments that nothing can be if in the world if Juliet is well. Balthasar replies that nothing can be if, then, for Juliet is well: she is in heaven, found dead that morning at her home. Thunderstruck, Romeo cries out "Then I defy you stars" (5.1.24).

3. What does Romeo plan to do as news of his death about Juliet's death? Why is there no mourning/ grieving period?

He tells Balthasar to get him pen and paper (with which he writes a letter for Balthasar to give to Montague) and to hire horses, and asks that he will return to Verona that night. Balthasar says that Romeo seems so distraught that he is afraid to leave him, but Romeo insists. Romeo suddenly stops and asks if Balthasar is carrying a letter from Friar Laurence. Balthasar says he is not, and Romeo sends his servant on his way. Once Balthasar is gone, Romeo says that he will be with Juliet that night.

4. How does he know he can get what he needs from this particular apothecary?

Romeo offers to pay him well for a vial of poison. He knows the apothecary too poor to refuse the money.

5. What does Romeo consider the poison to be? How is this an example of verbal irony?

Act V Scene II

1. Why was Friar Laurence's letter never delivered to Romeo in Mantua?

Friar John, who was supposed to deliver the letter, was unable to deliver the letter because he was in a quarantined house due to an outbreak of plague.

2. Explain how the ending will become something like a "chance scene," as the coach.

Friar Laurence would have to assure Romeo that Juliet is not actually dead. He will have to send a letter to Romeo and try to have him on the coach.
