

## Personalisation: a rough guide

# Rough Guide To Personalisation

**E Durkheim**

## **Rough Guide To Personalisation:**

Personalisation Sarah Carr, Rachel Dittrich, Social Care Institute for Excellence (Great Britain), 2008      Personalisation Sarah Carr, Social Care Institute for Excellence (Great Britain), 2011-11      *Personalising Public Services* Catherine Needham, 2011 This book focuses on how personalisation the idea that public services should be tailored to the individual with budgets devolved to the service user or frontline staff evolved as a policy narrative and has mobilised wide ranging political support      *Personalisation* Peter Beresford, 2013-10-23 Personalisation has become the policy buzz word of the twenty first century Supporters claim it offers service users choice and services attuned to meet their specific needs moving away from one size fits all state services In this short form book part of the Critical and Radical Debates in Social Work series Peter Beresford one of Britain's foremost social work academics challenges the personalisation agenda and its consequences on service users Although critical of one size fits all services that deny service user voice Beresford argues that personalisation turns service users into consumers of services within a care market and hence reinforces the commodification of care which sees vast profits made by a small number of providers at the expense of good quality services for those who use them      *Personalisation For Social Workers: Opportunities And Challenges For Frontline Practice* Burton, Jenni, Toscano, Thomas, Zonouzi, Maryam, 2012-06-01 An accessible practice based introduction to personalisation which addresses the tensions challenges and opportunities of personal funding and support      Personalization: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.aboutobo.com](http://www.aboutobo.com)

**Evidence-based Practice in Social Work** Ian Mathews, Karin Crawford, 2011-06-16 At a time when the credibility of social work is again being questioned this book offers a critical approach to the debate concerning the reliability and validity of the evidence research and knowledge that underpins professional social work practice It critiques the notion of evidence

and argues that knowledge is a much broader more appropriate concept to consider There is analysis of the different components and sources of this knowledge and an exploration of the often discordant interface between practice and knowledge Finally it supports the view that knowledge can be actively developed and tested by a range of people     The Third Sector Richard Hull,Jane Gibbon,Oana Branzei,Helen Haugh,2011-11-01 The Third Sector is of increasing economic and political interest but has been relatively ignored by Critical Management Studies This book presents international research from a variety of critical perspectives Each chapter is followed by a 1 000 word Commentary from a fellow contributor     **Social Work, Social Policy and Older People** Robert Johns,2011-01-04 It is essential for social work students to know about social policy to know why studying social policy is important in the social work degree and to understand how social policy when implemented has a real impact on the everyday life of vulnerable people This book provides plenty of examples of this impact tracing the development of welfare provision for older people right through the twentieth century leading up to an analysis of contemporary developments which students will need to know about in order to practice effectively     Applying Research Evidence in Social Work Practice Martin Webber,2017-09-16 This key textbook explores how good social work practice draws upon relevant and current research to ensure that interventions are as effective as possible Social workers are increasingly required to demonstrate their knowledge of the research and evidence that underpin the daily decisions they make and actions they take and it is therefore vital that they are not only up to date with the latest research but that they have the tools and understanding to successfully apply this to their practice Written by leading experts in the field this text book provides a step by step guide to implementing research in to every day social work practice This is essential reading for any one taking a research module on Social Work programmes at undergraduate and postgraduate level or practitioners wishing to advance their own practise and deliver the best possible service they can

*Developing Advanced Assessment Skills* Ann Saxon,Sue Lillyman,2011 This book will help you to develop some of the essential assessment skills that are needed to support patients with long term conditions in secondary and primary care settings You may be at the beginning of your career or you may be an experienced practitioner who is moving into long term conditions care At whatever level you may be this book will give you some guidance on how to use appropriate assessment tools and to reflect on your experience from practice Supporting patients with long term conditions is not solely the domain of nursing This book is intended to be suitable for a range of practitioners who are interested in developing their assessment skills further However some examples have been given from a nursing perspective The exercises throughout the book have been designed to encourage you to reflect on your practice and draw from the wide range of evidence that is available to support your development You can work through them at your own pace and return to chapters that you need to learn more about     **Effective Leadership, Management and Supervision in Health and Social Care** Ivan Gray,Richard Field,Keith Brown,2010-03-31 This book offers a comprehensive introduction to the areas of leadership management and

supervision for line managers supervisors and senior practitioners Taking a problem solving approach the book explores different aspects of leadership and management including personal effectiveness managing and leading supervision managing training and development managing resources and leading and developing a team A precise review of each project area is linked to a set of audit tools that a manager can mobilise in order to review team and personal effectiveness and develop practice

**The SAGE Encyclopedia of Intellectual and Developmental Disorders** Ellen Braaten,2018-01-29 According to the CDC about one in six or about 15% of children aged 3 through 17 years have one or more developmental disabilities such as ADHD autism spectrum disorders cerebral palsy intellectual disability and learning disability Intellectual disorders are characterized by significant limitations in both intellectual functioning and in adaptive behavior which covers many everyday social and practical skills impacting learning reasoning problem solving and other cognitive processes These disabilities originate before the age of 18 and continue across the life span Developmental disorders are chronic disabilities that can be cognitive or physical or both The disabilities appear before the age of 22 and are likely to progress across the lifespan Some developmental disorders are largely physical issues such as cerebral palsy or epilepsy Some individuals may have a disorder that includes a physical and intellectual disability for example Down syndrome or fetal alcohol syndrome Intellectual and developmental disorders are significant and growing issues that are studied across a number of disciplines The SAGE Encyclopedia of Intellectual and Developmental Disorders is aimed at students interested in psychology counseling education social work psychiatry health sciences and more This encyclopedia will provide an in depth look at a wide range of disorders alongside interventions the latest research translated for an undergraduate audience historical context and assessment tools for higher level students We will take a truly interdisciplinary approach by also covering sociocultural viewpoints policy implications educational applications ethical issues and more

Key Themes in Health and Social Care Adam Barnard,Verusca Calabria,Louise Griffiths,2023-04-10 This revised and expanded second edition of Key Themes in Health and Social Care is a learning resource for students in health and social care It provides an overview of foundational issues and core themes in the field and introduces key areas of debate moving from an introductory level to in depth discussion as the book progresses Divided into three parts the first part sets the scene addressing introductory psychology and sociology social policy equality and diversity skills for practice and working with people the second part considers key themes such as mental health and wellbeing management of services the relationship between place and wellbeing research in health and social care and person centred interventions the third part looks at discrete areas of practice such as mental health ageing leading and managing health and social care working with vulnerable populations and health promotion Each chapter begins with an outline of the content and learning outcomes and includes reflective exercises to allow students to reflect on what they have read review their learning and consolidate their understanding Time pressed readers wanting to dip into the book for relevant areas can do so but read from cover to cover the book provides a comprehensive introduction

to the key areas of contemporary health and social care practice It will be particularly helpful for students undertaking health and social care undergraduate and foundation degrees      *A Handbook for Interprofessional Practice in the Human Services* Brian Littlechild, Roger Smith, 2013-10-08 A Handbook for Inter professional Practice in the Human Services Learning to Work Together is an essential text for all students of inter professional education and for practitioners looking to understand and develop better inter agency working With an emphasis on working collaboratively with fellow professionals service users and the community and developing an holistic approach to working this is an essential resource for anyone studying on courses in social work nursing education health medicine social policy physiotherapy occupational therapy physiotherapy and dentistry and for all those with an interest in the human services      **Ethics and Law for Social Workers** Robert

Johns, 2015-11-10 How do social workers in the UK legal context act ethically What do we understand by ethics and how does social work law relate to it Social work practice in all countries incorporates a clear unstinting commitment to social justice but what is social justice Using an applied practice based and refreshingly real approach this text bridges the gap between law and ethics Each chapter opens with a case study which considers ethical dilemmas in real life practice Chapters have been designed to help students strengthen their critical reflection skills encouraging consideration of the legal and ethical dimensions of social work generally and in personal practice Topics such as care proceedings adoption community care youth justice mental capacity and accountability explore how understanding and application are equally important

Transforming Adult Social Care Ann Marie Gray, Derek Birrell, 2013-04-10 Adult social care has emerged as a distinct policy area in the UK and one which has come under increasing scrutiny by government and other bodies With the expectation that in future many more adults will need care and support ideas have emerged about a transformation of adult social care The focus of this wide ranging book is on the major themes in policy and provision including personalisation integration user participation the cost of long term care risk and safeguarding care quality and workforce issues and is one of the first texts to deal with adult social care as a distinct entity and is an up to date source on contemporary government policies debates and research The book encourages readers to think critically about decisions being made and about the direction of future policy The accessible book will be a valuable resource for undergraduate students in Social Policy Health and Social Care and Social Work those taking advanced vocational qualifications in social care and practitioners      **Adult Social Care** Ferguson, Iain, Lavalette, Michael, 2013-10-23 Adult social care in Britain has been at the centre of much media and public attention in recent years Revelations of horrific abuse in learning disability settings the collapse of major private care home providers abject failures of inspection and regulation and uncertainty over how long term care of older people should be funded have all given rise to serious public concern In this short form book part of the Critical and Radical Debates in Social Work series Iain Ferguson and Michael Lavalette give an historical overview of adult social care The roots of the current crisis are located in the under valuing of older people and adults with disabilities and in the marketisation of social

care over the past two decades The authors critically examine recent developments in social work with adults including the personalisation agenda and the prospects for adult social care and social work in a context of seemingly never ending austerity     Direct Payments and Personal Budgets Glasby, Jon, Littlechild, Rosemary, 2016-01-13 This third edition of the leading textbook on personalization in social welfare payment systems in the United Kingdom brings the analysis wholly up to date taking into account the major changes enacted by the Coalition Government since 2009 and pointing the way to the likely future when all social welfare payments and support will be delivered directly via a personal budget This close examination of the theory and practice will be essential to scholars policy makers and practitioners     Living a good life with Dementia Liz Leach Murphy, Jayna Patel, 2025-02-28 A practical guide to helping those living with dementia live their best life in a way that makes sense to them Essential reading for anyone working with people living with dementia this book explains the concept of Self Directed Support and Care for people living with dementia and links the various Person Centred approaches within dementia care with Person Centred Planning and Community based approaches As the content unfolds the concept of the Dementia Care Triad people living with dementia unpaid carers and professional carers is explored and developed further to include the layer of community The links between the health and social care legal context guidance documents and national dementia strategies are presented with good actionable practice approaches tools and informed advice to achieve Person Centred dementia care and support with an emphasis on communities Living a Good Life with Dementia will help professionals and carers gain knowledge and insight to be able to develop creative ideas for the care and support they want to have in place

## **Rough Guide To Personalisation Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rough Guide To Personalisation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rough Guide To Personalisation has opened up a world of possibilities. Downloading Rough Guide To Personalisation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rough Guide To Personalisation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rough Guide To Personalisation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rough Guide To Personalisation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rough Guide To Personalisation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Rough Guide To Personalisation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Rough Guide To Personalisation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
