In *People of the Owl*, they combine their distinctive trademark of high action with a rich psychological drama. Four thousand years ago, in what centuries later will be the southern part of the United States, a boy is thrust into manhood long before he's ready. Young Salamander would much rather catch crickets and watch blue herons fish than dabble in the politics of his clan. But when his heroic brother is killed, Salamander becomes the leader of America's first city. He inherits his brother's two wives who despise him and is forced to marry his mortal enemy's daughter to forge an alliance for the trade goods his people desperately need. Cast adrift in a stark wilderness of political intrigue where assassins are everywhere, young Salamander has no choice but to become a man and quickly. Michael Gear, 2012-10-16. A conclusion to the series featuring Dekanawida, the Peacemaker, finds the growing League of the Great Law of Peace threatened by marauding warriors from the People of the Mountain, who Dekanawida urges to join the League to save their shared world. **People of the Nightland** W. Michael Gear, Kathleen O'Neal Gear, 2008-02-05. New York Times and USA Today bestselling authors W. Michael Gear and Kathleen O'Neal Gear continue the story of North America's Forgotten Past in *People of the Nightland*, a sweeping saga of a visionary boy who led his people out of the path of one of the worst catastrophes in the history of the world and the brave little girl who loved him enough to believe in his dream. It has been a thousand years since Wolf Dreamer led his people up through the dark hole in the ice to a rich, untouched continent bursting with game. But the world has changed. Most of the magnificent animals are gone, and the last of the great glaciers is melting, forming a huge freshwater lake in the middle of the world. Over the centuries, the People of the Wolf have split into two clans. The People of the Nightland live in the honeycomb of ice caves that skirt the glacier. The People of the Sunpath live in hide lodges to the south, hunting the few remaining mammoths, bison, giant sloth, and short-faced bear. When a young orphaned boy named Silvertip receives a vision from Wolf Dreamer that their world is about to end, no one believes him, no one except a jaded war chief and a little girl. Led by Silvertip,

s dream the three of them must convince both people to leave the land of their ancestors and flee eastward as fast as they can before the Ice Giants destroy the world At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The Polished Presentation Mary Fensholt Perera,2017-04-28 The Francis Effect The Complete Guide to a Polished Presentation Is all you need to quickly create and confidently deliver great presentations Learn Why anxiety is normal and natural but not inevitable How to minimize anxiety to speak confidently comfortably and naturally Best practices of top speakers and how to apply them immediately Clear simple guides for preparing great content notes and slides Easy ways to increase trust understanding and memorability Step by step directions for confident body language and vocal delivery How to use microphones teleprompters and slides like a pro How to handle tough and hostile questions with grace and wit Best practices for web presentations and diverse audiences **People's Peace** Yasmin Saikia,Chad Haines,2019-11-15 People s Peace lays a solid foundation for the argument that global peace is possible because ordinary people are its architects Saikia and Haines offer a unique and imaginative perspective on people s daily lives across the world as they struggle to create peace despite escalating political violence The volume s focus on local and ordinary efforts highlights peace as a lived experience that goes beyond national and international peace efforts In addition the contributors emphasis on the role of religion as a catalyst for peace moves away from the usual depiction of religion as a source of divisiveness and conflict Spanning a range of humanities disciplines the essays in this volume provide case studies of individuals defying authority or overcoming cultural stigmas to create peaceful relations in their communities From investigating how ancient Jews established communal justice to exploring how black and white citizens in Ferguson Missouri are working to achieve racial harmony the contributors find that people are acting independently of governments and institutions to identify everyday methods of coexisting with others In putting these various approaches in dialogue with each other this volume produces a theoretical intervention that shifts the study of peace away from national and international organizations and institutions toward locating successful peaceful efforts in the everyday lives of individuals *The Complete Francis of Assisi* Jon M.
