English-Language Learners Copying Masters HSP, Isabel L. Beck, Roger C. Farr, Dorothy S. Strickland, 2001 Curriculum set for third grade issued in two named parts for classroom use in teaching reading *Resources in Education*, 1997

Book Talk Sherry Sanden, Cassandra Mattoon, Sandra L. Osorio, 2021 This book envisions the language and learning possibilities of young children's active engagement in literature discussion which is not often found in books about early read alouds This book promotes read aloud experiences that keep children their backgrounds and their experiences front and center This book shares our journey as educators and researchers with a goal to support the learning journey of other early childhood educators This book includes vignettes from classroom literature discussions as well as conversations between educators *Bilingual Learners and Social Equity* Ruth Harman, 2017-08-13 This volume explores how educators

conceptualized and implemented critical approaches to systemic functional linguistics that support bilingual students in appropriating and challenging dominant knowledge domains in K-16 contexts The researchers exhibit a shared commitment to enacting a culturally sustaining SFL praxis that validates multilingual meaning making pushes against social inequity and fosters creative re-mixing of available semiotic resources It should prove a valuable resource for students teachers and researchers interested in applied linguistics education and critical theory **Resources in Education**, 1996

Multilingualism and the Role of Sibling Order Benjamin Kinsella, 2020-09-25 Based on a multi-year ethnography in one Spanish speaking community in New Jersey this book is a meticulous account of six Mexican families that explores the relationship between siblings language use patterns practices and ideologies Combining insights gained from language socialization and heritage language studies within the larger field of sociolinguistics the book's findings examine siblings sociolinguistic environments and the ways in which these Latino children use and view their multilingual resources in the home school and broader community This study emphasizes the links between siblings language ideologies agentive decision making and linguistic patterns and the ways in which birth order influences the different dimensions of heritage language maintenance in the U.S. **Children's Books in Print** R.R.
