Read Me, Liberals! Stacey Smith, 2023-08-11 Read Me Liberals is an attempt to awaken a certain class of people that are morally at risk The modern United States political system is dominated by a two party system Democrats and Republicans Either party is perfect nor will the ever be perfect but the Democratic party has gone so far left it is a threat to the freedom and safety of American citizens The modern Democratic party and their allies want to dramatically alter the United States to their fascist ideology They want total control of you and I by any means necessary They want to control how you think and what you can say Most importantly they want you to be submissive to a complete totalitarian government control This book exposes all the hypocrisy corruption and moral insanity that comes from the left Most importantly it exposes the two tiered justice system one for Democrats and one for the rest of us This book is meant to target liberals democrats and independents but will help educate conservatives and Republicans as well I challenge anyone that loves the United States to read this and help save this country while we still can Liberals will continue to push their one world order agenda until they get what they want The United States is more politically divided than any other time in history and we need to come together somehow
