Politics And Citizenship Study Guide:

Study Guide for Understanding American Government I Ralph Havener, 1959 **Kenneyism** Jeremy

Appel, 2024-02-06 The harsh moralistic worldview of Jason Kenney has spurred right wing populism to the mainstream in Canadian politics but he unleashed forces he couldn't control From Jason Kenney's days as an anti-abortion activist at the University of San Francisco and through his years as a Canadian Taxpayers Federation lobbyist Reform MP top cabinet minister in the Harper government and Alberta premier he has been single-mindedly driven to bring his harsh moralistic worldview into the mainstream Kenney took on the old guard of Canada's liberal consensus and won playing a key role in shifting the country's political discussion to the right But the very right wing populist forces Kenney cultivated would come back to haunt him Jeremy Appel has observed Alberta politics and reported on various aspects of Kenney's agenda since 2017 when Kenney made his way across the province in his big blue pickup truck to rile up aggrieved conservatives Kenneyism examines Kenney's political beliefs his rise through federal political ranks and his ultimate resignation from the leadership of the United Conservative Party

The New Politics of Immigration and the End of Settler Societies Catherine Dauvergne, 2016-03-21 This book analyzes the contemporary politics of immigration from the asylum crisis to Islamophobia multiculturalism and post colonialism

The New York Times Practical Guide to Practically Everything Amy D. Bernstein, Peter W. Bernstein, 2006-10-17 A collection of information on aspects of daily life and a variety of popular topics such as the home health animals nature sports and entertainment

Immigration and Membership Politics in Western Europe Sara Wallace Goodman, 2014-10-16 Why are traditional nation states newly defining membership and belonging In the twenty first century several Western European states have attached obligatory civic integration requirements as conditions for citizenship and residence which include language proficiency country knowledge and value commitments for immigrants This book examines this membership policy adoption and adaptation through both medium N analysis and three paired comparisons to argue that while there is convergence in instruments there is also significant divergence in policy purpose design and outcomes To explain this variation this book focuses on the continuing dynamic interaction of institutional path dependency and party politics Through paired comparisons of Austria and Denmark Germany and the United Kingdom and the Netherlands and France this book illustrates how variations in these factors as well as a variety of causal processes produce divergent civic integration policy strategies that ultimately preserve and anchor national understandings of membership

Resources in Education , 1998

Red, White, and Kind of Blue? David Schneiderman, 2015-10-06 Situated between two different constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper s

Conservative government has repeatedly shown a tendency to push Canada further into the US constitutional orbit Red White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian constitutional practice and a timely warning about its unexamined consequences

Forced Migration in/to Canada Christina R. Clark-Kazak,2024-10-22 Forced migration shaped the creation of Canada as a settler state and is a defining feature of our contemporary national and global contexts Many people in Canada have direct or indirect experiences of refugee resettlement and protection trafficking and environmental displacement Offering a comprehensive resource in the growing field of migration studies Forced Migration in to Canada is a critical primer from multiple disciplinary perspectives Researchers practitioners and knowledge keepers draw on documentary evidence and analysis to foreground lived experiences of displacement and migration policies at the municipal provincial territorial and federal levels From the earliest instances of Indigenous displacement and settler colonialism through Black enslavement to statelessness trafficking and climate migration in today s world contributors show how migration as a human phenomenon is differentially shaped by intersecting identities and structures Particularly novel are the specific insights into disability race class social age and gender identity Situating Canada within broader international trends norms and structures both today and historically Forced Migration in to Canada provides the tools we need to evaluate information we encounter in the news and from government officials colleagues and non governmental organizations It also proposes new areas for enquiry discussion research advocacy and action

Reshaping the Mosaic Ninette Kelley,Jeffrey G. Reitz,Michael J. Trebilcock,2025-04-30 Immigration remains a cornerstone of national policy although it has undergone significant transformations across economic family and refugee admission streams in the past two decades Reshaping the Mosaic offers an insightful exploration of Canada s immigration policy ranging from its historical roots to contemporary developments The book examines the growth in permanent and temporary immigration to Canada It explores changes in selection criteria and evaluates their impact on key policy objectives contributing to Canadian economic prosperity facilitating family reunification providing refuge for those fleeing persecution and enabling the integration of immigrants and their descendants into Canadian society The book sheds light on the legal political economic and social paradoxes inherent in

Canadian immigration policy highlighting shifts in exclusion powers deportation practices settlement support and citizenship rules as well as their implications for Canadian ideals of multiculturalism fairness and integration It documents the lack of transparency and informed public engagement in policy formation and the implications this lack may have on maintaining public confidence and ensuring that immigration policies align with the national interests Driven by a conviction that the contemporary changes in immigration policy need to be examined in a comprehensive and inclusive way Reshaping the Mosaic looks at recent shifts and their implications for society and offers invaluable insights for policymakers scholars and stakeholders aiming to assist the development of a new immigration policy framework Beyond Binaries and Polarization? Elke Winter,2025-06-30 This book explores what lies between the statuses of insider and outsider in immigrant nations It asks Who is conditionally included excluded in relation to whom and for what reasons What does this conditional inclusion exclusion entail in terms of citizenship material resources and sense of belonging How does it affect the cultural and economic well being of refugees migrants and the host society The focus is on Canada which is often described as the quintessential immigrant nation The chapters in this book provide new insights into several hotly contested issues the overlapping cultural and economic logics of nationalist inclusion exclusion the growing prevalence of temporary and two step migration regimes the importance of cities in managing multiculturalism the need to disaggregate minority groups and the intersections of race class and gender in narratives of nationhood By shifting the focus of research from us them binaries to the study of relational inclusion exclusion involving three or more actors or groups this book highlights the often overlooked conditionality and temporality of immigrant inclusion the messiness of policies aimed at ethnic diversity and the uneven distribution of attitudes among members of minority groups This book will be valuable for scholars students and policymakers in the fields of sociology political science migration studies and Canadian studies The chapters in this book were originally published as a special issue of Nationalism and Ethnic Politics and are accompanied with a new Foreword a comprehensive glossary and critical engagement questions Women's History at the Cutting Edge Karen Offen,Chen Yan,2020-06-04 This book considers the promise of women s and gender history for revolutionizing our understanding of the past while also acknowledging the current national political financial and other contextual realities that can and do constrain or promote the possibilities for researching and writing women s history The editors assert that the promise of women s and gender history is a cutting edge field of research a revolutionary development in the politics of historical scholarship essential for understanding the human past Further they argue for the inseparability of women s history and gendered analytical approaches The contributors to the volume address questions including what have been the achievements of women s and gender history over the past two decades To what extent has it succeeded in making women s history an integral part of historical study rather than an optional specialist area What impact has the study of manhood masculinities and men s gendered power had on our understanding of women s lives What is the relationship between gender studies and

new critical histories of colonialism and empire contact zones cross cultural encounters and racialization How is new work on cultural geography and spatial categories impacting on our historical understandings of bodily difference This book was originally published as a special issue of the Women s History Review

Debates on U.S. Immigration Judith Gans, Elaine M. Replogle, Daniel J. Tichenor, 2012-10-17 This volume uses introductory essays followed by point counterpoint articles to explore prominent and perennially important debates providing readers with views on multiple sides of the complex issue of US immigration

Revisiting Multiculturalism in Canada Shibao Guo, Lloyd Wong, 2015-12-01 In 1971 Canada was the first nation in the world to establish an official multiculturalism policy with an objective to assist cultural groups to overcome barriers to integrate into Canadian society while maintaining their heritage language and culture Since then Canada s practice and policy of multiculturalism have endured and been deemed as successful by many Canadians As well Canada s multiculturalism policy has also enjoyed international recognition as being pioneering and effectual Recent public opinion suggests that an increasing majority of Canadians identify multiculturalism as one of the most important symbols of Canada s national identity On the other hand this apparent successful record has not gone unchallenged Debates critiques and challenges to Canadian multiculturalism by academics and politicians have always existed to some degree since its policy inception over four decades ago In the current international context there has been a growing assault on and subsequent retreat from multiculturalism in many countries In Canada debates about multiculturalism continue to emerge and percolate particularly over the past decade or so In this context we are grappling with the following questions What is the future of multiculturalism and is it sustainable in Canada How is multiculturalism related to egalitarianism interculturalism racism national identity belonging and loyalties What role does multiculturalism play for youth in terms of their identities including racialization How does multiculturalism play out in educational policy and the classroom in Canada These central questions are addressed by contributions from some of Canada s leading scholars and researchers in philosophy psychology sociology history education religious studies youth studies and Canadian studies The authors theorize and discuss the debates and critiques surrounding multiculturalism in Canada and include some very important case studi

Doing Politics Jacqui Briggs, 2014-11-27 Aimed at politics students in their final year of secondary education or beginning their degrees this highly readable book is the ideal introduction to politics Doing Politics is a detailed guide to both the study and the activity of politics which explores why we study politics what is involved in a politics degree and the skills and mindset that are needed to tackle the subject Key questions are answered including Just what is politics and how does it affect us Why does politics and why do politicians get a bad press How do we study non traditional forms of politics Assuming no prior knowledge this lively and engaging guide is the perfect introduction to the academic study of politics
