Popular Music Journalism Books:

Popular Music Journalism Martin James, 2014-11-30 This title explores a variety of arguments and perspectives on the role of the music journalist and the wider popular music press within the cultural and operational contexts of popular music

Pop Music and the Press Steve Jones, 2002 Since the 1950s writing about popular music has become a staple of popular culture Rolling Stone Vibe and The Source as well as music columns in major newspapers target consumers who take their music seriously Rapidly proliferating fanzines websites and internet discussion groups enable virtually anyone to engage in popular music criticism Until now however no one has tackled popular music criticism as a genre of journalism with a particular history and evolution Pop Music and the Press looks at the major publications and journalists who have shaped this criticism influencing the public's ideas about the music's significance and quality The contributors to the volume include academics and journalists several wear both hats and some are musicians as well Their essays illuminate the complex relationships of the music industry print media critical practice and rock culture And they repeatedly dispel the notion that being a journalist is the next best thing to being a rock star Author note Steve Jones is Professor of Communication at the University of Illinois Chicago Among his books are CyberSociety Computer Mediated Communication and Community editor and Rock Formation Popular Music Technology and Mass Communication

Popular Music Tara Brabazon, 2011-10-03 An incredibly wide ranging critical account of popular music The book is an essential resource for all staff and students in the field John Storey Centre for Research in Media and Cultural Studies University of Sunderland Organized in accessible sections and covering the main themes of research and teaching it examines The key approaches to understanding popular music The main settings of exchange and consumption The role of technology in the production of popular music The main genres of popular music The key debates of the present day Brabazon writes with verve and penetration Her approach starts with how most people actually consume music today and transfers this onto the plain of study The book enables teachers and students to shuffle from one topic to the other whilst providing an unparalleled access to the core concepts and issues As such it is the perfect study guide for undergraduates located in this exciting and expanding field Tara Brabazon is Professor of Communication at University of Ontario Institute of Technology UOIT

On the Record Mike Hilleary, 2020-09-25 Rolling Stone Creem the Village Voice SPIN Billboard Stereogum Pitchfork How did the music journalists who write for these popular publications break into the business How have they honed their writing and interviewing techniques How have they managed to thrive amid major changes in the industry as print magazines have declined and digital publications have emerged What does it take to turn a love of music into a professional writing career Bringing together interviews from an impressive roster of over fifty music writers Mike Hilleary offers up an engaging and wide reaching examination of the past and potential future of music journalism This accessible oral history contains professional insights into journalists' craft and purpose practical advice and essential life lessons from a diverse cast of music writers ranging from long respected veterans

of the field such as Rob Sheffield Jessica Hopper Ann Powers and Chuck Klosterman to must read modern voices including Amanda Petrusich Hanif Abdurraqib Lindsay Zoladz and Jayson Greene Honest and absorbing On the Record will educate and enlighten anyone who wants to write about music or anyone who wants a better understanding about those who do

TeenSet, Teen Fan Magazines, and Rock Journalism Allison Bumsted, 2024-10-15 Since the magazine's first issue in 1964 TeenSet's role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music TeenSet Teen Fan Magazines and Rock Journalism Don't Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary

The Popular Music Studies Reader Andy Bennett, Barry Shank, Jason Toynbee, 2006 Maps the changing nature of popular music and considers how popular music studies has expanded and developed to deal with these changes The book discusses the participation of women in the industry the changing role of gender and sexuality in popular music and the role of technologies in production and distribution

Popular Music in Eastern Europe Ewa Mazierska, 2016-12-21 This book explores popular music in Eastern Europe during the period of state socialism in countries such as Poland Hungary Yugoslavia Romania Czechoslovakia the GDR Estonia and Albania It discusses the policy concerning music the greatest Eastern European stars such as Karel Gott Czesław Niemen and Omega as well as DJs and the music press By conducting original research including interviews and examining archival material the authors take issue with certain assumptions prevailing in the existing studies on popular music in Eastern Europe namely that it was largely based on imitation of western music and that this music had a distinctly anti communist flavour Instead they argue that self colonisation was accompanied with creating an original idiom and that the state not only fought the artists but also supported them The collection also draws attention to the foreign successes of Eastern European stars both within the socialist bloc and outside of it v

Song Interpretation in 21st-Century Pop Music Ralf von Appen, André Doebling, Allan F. Moore, 2016-03-03

Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples. The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position. In this book the obverse is true: songs take centre stage and are given priority. The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song. Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire. The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs. All songs analysed are from the new millennium, most of them not older than three years. Because the most widely popular styles are too often ignored by academics, this book aims to shed light on how million sellers work musically. Therefore it encompasses a broad palette highlighting mainstream pop (Lady Gaga, Ke\$ha, Lucenzo, Amy McDonald) but also accounting for critically acclaimed indie styles (Fleet Foxes, Death Cab for Cutie, PJ Harvey, R. B. Destiny's Child, Janelle Monáe), popular hard rock (Kings of Leon, Rammstein) and current electronic music (Andrius Björk). By concentrating on 13 well-known songs, this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels. *Perspectives on German Popular Music* Michael

Ahlers, Christoph Jacke, 2016-11-25. In this book native popular musicologists focus on their own popular music cultures from Germany, Austria and Switzerland for the first time from subcultural to mainstream phenomena from the 1950s to contemporary acts. Starting with an introduction and two chapters on the histories of German popular music and its study, the volume then concentrates on focused, detailed and yet concise close readings from different perspectives, including particular historical East and West German perspectives, mostly focusing on the music and its protagonists. Moreover, these analyses deal with very original, specific genres such as Schlager and Krautrock as well as transcultural genres such as Punk or Hip Hop. There are additional chapters on characteristically German developments within music media, journalism and the music industry. The book will contribute to a better understanding of German, Austrian and Swiss popular music and will interconnect international and especially Anglo-American studies with German approaches. The book, as a consequence, will show close connections between global and local popular music cultures and diverse traditions of study. **Popular Music:**

The Key Concepts Roy Shuker, 2002-05-03. The new edition of *Popular Music: The Key Concepts* presents a comprehensive A-Z glossary of the main terms and concepts used in the study of popular music. *Between Old Worlds and New* Wilfrid

Mellers, 1997. Wilfrid Mellers ranks among the most eminent of contemporary British writers and lecturers on music. The range of his interest is exceptionally wide, encompassing music from the renaissance to the present day, from Monteverdi to Minimalism, not excluding jazz and many different forms of popular music as well as music from non-western cultures. That breadth of vision is nowhere more apparent than in his occasional writings. In these necessarily concentrated and closely focused pieces we find the essence of his thinking about music, its nature and its meaning. Written in the first instance for the

general reader they also offer insights that should be of importance to music students in schools colleges and universities

The Routledge Handbook of Pink Floyd Chris Hart, Simon A. Morrison, 2022-09-20 The Routledge Handbook of Pink Floyd is intended for scholars and researchers of popular music as well as music industry professionals and fans of the band It brings together international researchers to assess evaluate and reformulate approaches to the critical study and interpretation of one of the world's most important and successful bands For the first time this Handbook will tear down the wall examining the band's collective artistic creations and the influence of social technological commercial and political environments over several decades on their work Divided into five parts the book provides a thoroughly contextualised overview of the musical works of Pink Floyd including coverage of performance and sound media reception and fandom genre periods of Pink Floyd's work and aesthetics and subjectivity Drawing on art design performance culture and counterculture emergent theoretical resources and analytical frames are evaluated and discussed from across the social sciences humanities and creative arts The Handbook is intended for scholars and researchers of popular music as well as music industry professionals It will appeal across a range of related subjects from music production to cultural studies and media communication studies

The Bloomsbury Handbook of Rock Music Research Allan Moore, Paul Carr, 2020-07-09 The Bloomsbury Handbook of Rock Music Research is the first comprehensive academic survey of the field of rock music as it stands today More than 50 years into its life and we still ask what is rock music why is it studied and how does it work both as music and as cultural activity This volume draws together 37 of the leading academics working on rock to provide answers to these questions and many more The text is divided into four major sections practice of rock analysis performance and recording theories business of rock and social and culture issues Each chapter combines two approaches providing a summary of current knowledge of the area concerned as well as the consequences of that research and suggesting profitable subsequent directions to take This text investigates and presents the field at a level of depth worthy of something which has had such a pervasive influence on the lives of millions

Godey's Lady's Book Louis Antoine Godey, Sarah Josepha Buell

Hale, 1893 Includes music *Into the Groove* Andrew Wright Hurley, 2015 A new and wide ranging view of the confluence since the 1990s of the fields of contemporary literature and popular music in Germany

Resources in Education, 1990

The Life and Writings of Ralph J. Gleason Don Armstrong, 2024-01-11 Discover the enthralling world of Ralph J Gleason a pioneering music journalist who expanded the possibilities of the newspaper music column sparked the San Francisco jazz and rock scenes and co founded Rolling Stone magazine Gleason not only reported on but influenced the trajectory of popular music He alone chronicled the unparalleled evolution of popular music from the 1930s into the 1970s and while doing so interviewed and befriended many trailblazers such as Miles Davis Dizzy Gillespie Bob Dylan and the Beatles A true iconoclast he dismantled the barriers between popular and highbrow music and barriers separating the musical genres He played a crucial role in shaping postwar music criticism by covering all genres and analyzing music's

social political and historical meanings This book uncovers never before seen letters anecdotes family accounts and exclusive interviews to reveal one of the most intriguing personalities of the 20th century **Popular Music Culture** Roy

Shuker,2022-03-22 Now in its fifth edition this popular A Z student reference book provides a comprehensive survey of key ideas and concepts in popular music culture examining the social and cultural aspects of popular music Fully revised with extended coverage of the music industries sociological concepts and additional references to reading listening and viewing throughout the new edition expands on the foundations of popular music culture tracing the impact of digital technology and changes in the way in which music is created manufactured marketed and consumed The concept of metagenres remains a central part of the book these are historically socially and geographically situated umbrella musical categories each embracing a wide range of associated genres and subgenres New or expanded entries include Charts Digital music culture Country music Education Ethnicity Race Gender Grime Heritage History Indie Synth pop Policy Punk rock and Streaming Popular Music Culture The Key Concepts is an essential reference tool for students studying the social and cultural dimensions of popular music

The Rock Canon CarysWyn Jones,2017-07-05 Canons are central to our understanding of our culture and yet in the last thirty years there has been much conflict and uncertainty created by the idea of the canon In essence the canon comprises the works and artists that are widely accepted to be the greatest in their field Yet such an apparently simple construct embodies a complicated web of values and mechanisms Canons are also inherently elitist however Carys Wyn Jones here explores the emerging reflections of values terms and mechanisms from the canons of Western literature and classical music in the reception of rock music Jones examines the concept of the canon as theorized by scholars in the fields of literary criticism and musicology before moving on to search for these canonical facets in the reception of rock music as represented by ten albums Bob Dylan s Highway 61 Revisited The Beach Boys Pet Sounds The Beatles Revolver The Velvet Underground s The Velvet Underground Nico Van Morrison s Astral Weeks Marvin Gaye s What s Going On The Rolling Stones Exile on Main St Patti Smith s Horses The Sex Pistols Never Mind the Bollocks Here s the Sex Pistols and Nirvana s Nevermind Jones concludes that in the reception of rock music we are not only trying to organize the past but also mediate the present and any canon of rock music must now negotiate a far more pluralized culture and possibly accept a greater degree of change than has been evident in the canons of literature and classical music in the last two centuries

The Songs of Joni Mitchell Anne Karppinen,2016-05-26 An unorthodox musician from the start singer songwriter Joni Mitchell s style of composing performing and of playing and tuning the guitar is unique In the framework of sexual difference and the gendered discourses of rock this immediately begs the questions are Mitchell s songs specifically feminine and if so to what extent and why Anne Karppinen addresses this question focusing on the kind of music and lyrics Mitchell writes the representation of men and women in her lyrics how her style changes and evolves over time and how cultural context affects her writing Linked to this are the concepts of subjectivity and authorship when a singer songwriter

sings a song in the first person about whom are they actually singing Mitchell offers a fascinating study for the songs she writes and sings are intricately woven from the strands of her own life Using methods from critical discourse analysis this book examines recorded performances of songs from Mitchell s first nine studio albums and the contemporary reviews of these albums in Anglo American rock magazines In one of the only books to discuss Mitchell s recorded performances with a focus that extends beyond the seminal album *Blue* Karppinen explores the craft of Mitchell s songwriting and her own attitudes towards it as well as the dynamics and politics of rock criticism in the 1960s and 1970s more generally

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is truly problematic. This is why we allow the ebook compilations in this website. It will agreed ease you to see guide **Popular Music Journalism Books** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. While this might not be the Popular Music Journalism Books full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Popular Music Journalism Books eBooks, including

some popular titles.

FAQs About Popular Music Journalism Books

What is a Popular Music Journalism Books PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Popular Music Journalism Books PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Popular Music Journalism Books PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Popular Music Journalism Books PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Popular Music Journalism Books PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
