Authentic Christianity and the Dangers of Christian Nationalism Daniel Payne, 2024-07-13 The book explores the concept that true Christianity and Christian Nationalist movements are fundamentally at odds with each other It delves into the idea that the values and principles of authentic Christianity such as love compassion and inclusivity are in direct conflict with the exclusionary and divisive nature of Christian Nationalism The author examines how the rise of Christian Nationalism has distorted the teachings of Jesus and has been used to justify discrimination prejudice and violence The book also discusses the impact of Christian Nationalism on politics society and the religious landscape and offers insights into how individuals and communities can work towards promoting a more genuine expression of Christian faith It explores how the values and teachings of Christianity such as love compassion and inclusion are at odds with the exclusionary and divisive nature of Christian Nationalism The essays in this collection analyze the ways in which Christian Nationalism distorts the message of Christianity and promotes harmful ideologies that go against the core principles of the faith Through thoughtful analysis and compelling arguments the book aims to challenge and debunk the notion that Christian Nationalism is a natural extension of authentic Christianity

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God s kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church s culture was rooted in Judaism and a Jewish understanding of God s relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry s personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in the revelation of who they really are and

who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity **Hearers and Doers** Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples **At the Crossroads** Masiwa Ragies Gunda, 2018-10-15
