Red Desert History Of A Place:

Red Desert Annie Proulx, 2012-07-25 A photographic and multidisciplinary study of one of America's last undeveloped and most endangered landscapes edited by a Pulitzer Prize winning author A vast expanse of rock formations sand dunes and sagebrush in central and southwest Wyoming the little known Red Desert is one of the last undeveloped landscapes in the United States as well as one of the most endangered It is a last refuge for many species of wildlife Sitting atop one of North America's largest untapped reservoirs of natural gas the Red Desert is a magnet for energy producers who are damaging its complex and fragile ecosystem in a headlong race to open a new domestic source of energy and reap the profits To capture and preserve what makes the Red Desert both valuable and scientifically and historically interesting writer Annie Proulx and photographer Martin Stupich enlisted a team of scientists and scholars to join them in exploring the Red Desert through many disciplines geology hydrology paleontology ornithology zoology entomology botany climatology anthropology archaeology sociology and history Their essays reveal many fascinating often previously unknown facts about the Red Desert everything from the rich pocket habitats that support an amazing diversity of life to engrossing stories of the transcontinental migrations that began in prehistory and continue today on I 80 which bisects the Red Desert Complemented by Martin Stupich's photo essay which portrays both the beauty and the devastation that characterize the region today Red Desert bears eloquent witness to a unique landscape in its final years as a wild place

Red Desert, 2013 Description Movie Press Kits *The Lost Frontier* Mark Asquith, 2014-06-19 The success of *The Shipping News* and the film of *Brokeback Mountain* brought Proulx international recognition but their success merely confirms what literary critics have known for some time Proulx is one of the most provocative and stylistically innovative writers in America today She is at her best in the short story format and the best of these are to be found in her Wyoming trilogy in which she turns her eye on America's West both past and present Yet despite the vast amount of print expended reviewing her books there has been nothing published on the Wyoming Stories There is appetite for such a work the plethora of critical work on McCarthy's *Border Trilogy* indicates that the reinvention of the West is a subject for serious academic study Provided by publisher *The Geographical Imagination of Annie Proulx* Alex Hunt, 2010-11-23 This edited collection focuses on Annie Proulx's striking attention to geography place landscape and local environments Contributors consider Proulx's particular landscapes particularly those of Wyoming New England Texas and Newfoundland and the issues surrounding the significance of these regions and regionalism in contemporary culture and literature

Zen of the Plains Tyra A. Olstad, 2014-05-15 Although spare sweeping landscapes may appear empty plains and prairies afford a rich unique aesthetic experience one of quiet sunrises and dramatic storms hidden treasures and abundant wildlife infinite horizons and omnipresent wind all worthy of contemplation and celebration In this series of narratives photographs and hand drawn maps Tyra Olstad blends scholarly research with first hand observation to explore topics such as wildness and wilderness travel and tourism preservation and conservation expectations and

acceptance and even dreams and reality in the context of parks prairies and wild open places In so doing she invites readers to reconsider the meaning of emptiness and ask larger deeper questions such as how do people experience the world How do we shape places and how do places shape us Above all what does it mean to experience that exhilarating effect known as Zen of the plains

Lost in the New West Mark Asquith,2021-10-07 *Lost in the New West* investigates a group of writers John Williams Cormac McCarthy Annie Proulx and Thomas McGuane who have sought to explore the tensions inherent to the Western where the distinctions between old and new myth and reality authenticity and sentimentality are frequently blurred Collectively these authors demonstrate a deep seated attachment to the landscape people and values of the West and offer a critical appraisal of the dialogue between the contemporary West and its legacy Mark Asquith draws attention to the idealistic young men at the center of such works as Williams s *Butcher s Crossing* 1960 McCarthy s *Blood Meridian* 1985 and *Border Trilogy* Proulx s *Wyoming stories* and McGuane s *Deadrock* novels For each writer these characters struggle to come to terms with the difference between the suspect mythology of the West that shapes their identity and the reality that surrounds them They are in short lost in the new West

Mountains and Plains Dennis H. Knight,George P. Jones,William A. Reiners,William H. Romme,2014-01-01 Many changessome discouraging others hopefulhave occurred in the Rocky Mountain region since the first edition of this widely acclaimed book was published Wildlife habitat has become more fragmented once abundant sage grouse are now scarce and forest fires occur more frequently At the same time wolves have been successfully reintroduced and new approaches to conservation have been adopted For this updated and expanded Second Edition the authors provide a highly readable synthesis of research undertaken in the past two decades and address two important questions How can ecosystems be used so that future generations benefit from them as we have How can we anticipate and adapt to climate changes while conserving biological diversity

Annie Proulx's Brokeback Mountain and Postcards Mark Asquith,2009-09-10 This guide to Annie Proulx s novel *Postcards* and her short story *Brokeback Mountain* features a biography of the author a full length analysis of the texts a summary of the their popular and critical reception a discussion of the recent film adaptation of *Brokeback Mountain* and its reception and a great deal more If you are studying either text reading them for your book club or if you simply want to know more you ll find this guide informative intelligent and helpful

Rendering Nature Marguerite S. Shaffer,Phoebe S. K. Young,2015-08-28 We exist at a moment during which the entangled challenges facing the human and natural worlds confront us at every turn whether at the most basic level of survival health sustenance shelter or in relation to our comfort driven desires As demand for resources both necessary and unnecessary increases understanding how nature and culture are interconnected matters more than ever Bridging the fields of environmental history and American studies *Rendering Nature* examines the surprising interconnections between nature and culture in distinct places times and contexts over the course of American history Divided into four themes animals bodies places and politics the

essays span a diverse array of locations and periods from antebellum slave society to atomic testing sites from gorillas in Central Africa to river runners in the Grand Canyon from white sun tanning enthusiasts to Japanese American incarcerated from taxidermists at the 1893 World's Fair to tents on Wall Street in 2011 Together they offer new perspectives and conceptual tools that can help us better understand the historical realities and current paradoxes of our environmental predicament Contributors Thomas G Andrews Connie Y Chiang Catherine Cocks Annie Gilbert Coleman Finis Dunaway John Herron Andrew Kirk Frieda Knobloch Susan A Miller Brett Mizelle Marguerite S Shaffer Phoebe S K Young *Through the Generations* Lisa A. Morgan, Steven L. Quane, 2010-01-01 The tradition of Rocky Mountain geology remains strong at all scales spatially and temporally Spatially this volume discusses theories of continental mountain building events in tandem with microscopic observations and parts per billion trace element concentrations Temporally the volume covers geologic history from the Precambrian to modern issues of climate change and energy groundwater contamination geologic hazards and landscape evolution *The Cinema of Economic Miracles* Angelo Restivo, 2002-02-26 A sophisticated theoretical treatment of post war Italian Cinema **The Selected Works of T. S. Spivet** Reif Larsen, 2010-04-27 A brilliant boundary leaping debut novel tracing twelve year old genius map maker T S Spivet's attempts to understand the ways of the world When twelve year old genius cartographer T S Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award life as normal if you consider mapping family dinner table conversation normal is interrupted and a wild cross country adventure begins taking T S from his family ranch just north of Divide Montana to the museum's hallowed halls T S sets out alone leaving before dawn with a plan to hop a freight train and hobo east Once aboard his adventures step into high gear and he meticulously maps charts and illustrates his exploits documenting mythical wormholes in the Midwest the urban phenomenon of rims and the pleasures of McDonald's among other things We come to see the world through T S's eyes and in his thorough investigation of the outside world he also reveals himself As he travels away from the ranch and his family we learn how the journey also brings him closer to home A secret family history found within his luggage tells the story of T S's ancestors and their long ago passage west offering profound insight into the family he left behind and his role within it As T S reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that for all his analytical rigor the world around him is a mystery All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle For all its shine fame seems more highly valued than ideas in this new world and friends are hard to find T S's trip begins at the Copper Top Ranch and the last known place he stands is Washington D C but his journey's movement is far harder to track How do you map the delicate lessons learned about family and self How do you depict how it feels to first venture out on your own Is there a definitive way to communicate the ebbs and tides of heartbreak loss loneliness love These are the questions that strike at the core of this very special debut Now a major motion picture directed by Jean Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter **The Red**

Centre's Archaic Abode Pasquale De Marco, 2025-07-25 Welcome to the Red Centre a vast and awe inspiring region that is home to some of Australia's most iconic landmarks including Uluru Ayers Rock and Kata Tjuta The Olgas This comprehensive guidebook will take you on a journey through this extraordinary landscape exploring its geology ecology history and culture Written by a team of experts this book covers everything from the formation of Uluru to the unique plants and animals that call the Red Centre home It also explores the rich Aboriginal heritage of the region and the challenges facing its conservation With stunning photography and informative text this book will help you discover the secrets of the Red Centre and create memories that will last a lifetime Whether you're planning a trip to this amazing part of the world or simply want to learn more about it this book is the perfect resource The Red Centre is a place of extremes It is a land of scorching heat and freezing cold of relentless drought and sudden floods It is a land of ancient rock formations and delicate desert flowers It is a land of Aboriginal culture and European history The Red Centre is a place of contrasts It is a harsh and unforgiving environment but it is also a place of great beauty and wonder It is a land of extremes but it is also a land of balance The Red Centre is a place where opposites meet and where life finds a way to thrive The Red Centre is a place of mystery and magic It is a place where the past and present collide and where the natural and the supernatural intermingle It is a place where dreams come true and where anything is possible If you like this book write a review **Punctuations** Michael J.

Shapiro, 2019-11-22 In *Punctuations* Michael J. Shapiro examines how punctuation conceived not as a series of marks but as a metaphor for the ways in which artists engage with intelligibility opens pathways for thinking through the possibilities for oppositional politics Drawing on Theodor Adorno Alain Robbe Grillet and Roland Barthes Shapiro demonstrates how punctuation's capacity to create unexpected rhythmic pacing makes it an ideal tool for writers musicians filmmakers and artists to challenge structures of power In works ranging from film scores and jazz compositions to literature architecture and photography Shapiro shows how the use of punctuation reveals the contestability of dominant narratives in ways that prompt readers viewers and listeners to reflect on their acceptance of those narratives Such uses of punctuation he theorizes offer models for disrupting structures of authority thereby fostering the creation of alternative communities of sense from which to base political mobilization **Book Review Digest**, 1924 *Bulletin of the Public Library of the City of Boston ...* Boston Public Library, 1919 **Bulletin [1908-23]** Boston Public Library, 1920 *Bulletin of the Public Library of the City of Boston*, 1919 Rise of Islamic Political Movements and Parties Kirdis Esen Kirdis, 2019-05-09 Although regarded as a

single community of Islamists Islamic political movements utilise vastly different means to pursue their goals This book examines why some Islamic movements facing the same socio political structures pursue different political paths while their counterparts in diverse contexts make similar political choices Based on qualitative fieldwork involving personal interviews with Islamic politicians journalists and ideologues conducted both before and after the Arab Spring author Esen KirdiAY draws close comparisons between six Islamic movements in Jordan Morocco and Turkey She analyses how some Islamic

movements decide to form a political party to run in elections while their counterparts in the same country reject doing so and instead engage in political activism as a social movement through informal channels More broadly the study demonstrates the role of internal factors ideological priorities and organisational needs in explaining differentiation within Islamic political movements and discusses its effects on democratisation
