Subcommittee on Commerce, Justice, Science, and Related Agencies,2015 **The Way We Build** Mark Erlich,2023-07-18 The construction trades once provided unionized craftsmen a route to the middle class and a sense of pride and dignity often denied other blue collar workers Today union members still earn wages and benefits that compare favorably to those of college graduates But as union strength has declined over the last fifty years a growing non union sector offers lower compensation and more hazardous conditions undermining the earlier tradition of upward mobility Revitalization of the industry depends on unions shedding past racial and gender discriminatory practices embracing organizing diversity and the new immigrant workforce and preparing for technological changes Mark Erlich blends long view history with his personal experience inside the building trades to explain one of our economy s least understood sectors Erlich s multifaceted account includes the dynamics of the industry the backdrop of union policies and powerful stories of everyday life inside the trades He offers a much needed overview of construction s past and present while exploring roads to the future *ERS Staff Report* ,1986 **Daily Labor Report** ,2009 *Put Y'all Back in Chains* Horace Cooper,2023-07-04 Put Y all Back in Chains outlines how the policies of President Joe Biden harm Black communities and limit opportunities for their success Whether you agree or disagree Horace Cooper s latest book tackles the question of how Joe Biden s policies affect Americans especially those in minority and underserved communities His research shows that the injuries are calamitous Instead of a rising tide lifting all boats the Biden policies are having a reverse effect one that devastates bank accounts crushes entrepreneurship and steals the promise of the American Dream Horace painstakingly combs through the harsh results of these efforts especially on lower income and working class people who are hit hardest by the woke policies of Joe Biden If you want to see the real story the media isn t telling this book is a must read Sean Hannity Fox News Host A thorough examination of the ways that the policies of President Joe Biden are antithetical to the aspirations and dreams of Blacks Put Y all Back in Chains uncovers the reasons that the policies of the Biden Administration hurt Black communities in particular And this is no accident Progressive policymakers relished Biden s COVID 19 pandemic restrictions his experiments with higher unemployment benefits and related regulatory programs and especially his push for the green agenda Consequently working class people especially Black men were hardest hit when it comes to finding employment as well as maintaining their financial lifestyle Tragically the Biden Agenda hurt the entire Black community affecting educational attainment wealth creation and homeownership

These dramatic downward changes were particularly hard to absorb for Black households especially those that made tremendous gains during the Trump Administration It is increasingly clear that President Joe Biden s priorities place Blacks at the back of the political bus In this thoroughly researched book Horace Cooper outlines how the minority group most likely to support Biden Blacks are systematically impaired by this White House and why the Black community needs to turn away from the Biden Administration and toward a brighter future
