Report on Visual Impairment Services Teams ,1972 *Implementing a global health programme* Susan Heydon,2025-02-18 Worldwide eradication of the devastating viral disease of smallpox was devised as a distant global policy but success depended on implementing a global vaccination programme within nation states How this was achieved remains relevant and topical for responding to today s global communicable disease challenges The small and poor Himalayan kingdom of Nepal faced enormous geographical and infrastructure challenges if it was going to succeed in a nationwide vaccination programme This book acknowledges the key role of the WHO but disrupts the top down centre led standard narrative Against a background of widespread internal political and social change Nepal s programme was expanded effectively decentralised and a vaccination strategy introduced that aligned with people s beliefs Few foreign personnel were involved Final Report to Congress United States. graphic details the economic and sexual exploitation of poor tribal people of Kalahandi by scheming moneylenders businessmen local contractors politicians and indifferent bureaucrats The stories have been originally written in English while the poems have been translated from the original Odia For his poem collection on Kalahandi the author had won Sahitya Akademi s Golden Jubilee prize for poetry in 2007 Once known as the rice bowl of Odisha Kalahandi became infamous for large scale starvation deaths in the 1980s The agrarian economy of Kalahandi was devastated following a 20 year long famine starting in 1965 Poor people in interior pockets died in hordes although Kalahandi district as a whole remained rice surplus even during the famine decades Therefore the author contends that although the famine was a natural calamity the starvation deaths were an avoidable man made disaster The stories and poems included in this book are written in a very simple language in the form of funny real life anecdotes But underneath their humorous exterior these highly symbolic stories offer in depth diagnosis as well as practical solutions to various grassroots level socio economic problems in a penetrating manner
