Utilities Reform in Twenty-First Century Australia Malcolm Abbott, Bruce Cohen, 2021-07-01 Utilities Reform in 21st Century Australia Providing the Essentials traces the development and consequences of the economic reform measures undertaken in the utilities sector in Australia communications energy water wastewater services and transport in the last years of the 20th century and early decades of the 21st century In doing so it looks at the process of reform across industries and across the state and federal jurisdictions

to identify what motivations the various governments had for pursuing reform how change varied across jurisdictions and what issues arose in the process Although by the mid 1990s all states and territories and the Australian Government were committed to reforming utilities as part of the National Competition Policy not all pursued this reform with the same degree of speed and breadth of action The broad trends of economic reform in Australia and abroad are also touched upon to provide an outline of the wider context in which the reform of the utilities occurred This book therefore explores the relationship between politics and society on the one hand and economic reform on the other as well on as the efforts of governments in Australia to promote economic growth and the wealth of Australians in an increasingly complex and challenging global economic climate *Divided we Fall: An Insider's Perspective on Local Government Amalgamations* Dr Ian Tiley, 2012-12-11 Recent Australian local government structural reform has manifested as council amalgamations and predominantly as imposed merger processes This book examines council amalgamations across Australia over the past two decades and uncovers the case of council amalgamation in the NSW Clarence Valley Council CVC since 2004 The case of forced amalgamation of four general purpose and two county councils could have been a recipe for chaos instead this book describes the gains and the challenges Writing from deep seated knowledge of local government this book details the net positive economic outcomes and financial benefits against measurable indicators and describes the impacts on local democracy Based on detailed research this long term local government insider perspective will be of value to all those interested in driving change through local government reform **Performance Budgeting** M. Robinson, 2007-08-30 This book examines the theory and practice of performance budgeting which aims make government more effective by linking the funding of government agencies to the results they deliver Combining thematic studies and case studies it clearly presents the diverse range of contemporary performance budgeting models and examines their effectiveness [The Forum of Federations Handbook of Fiscal Federalism](#) Jean-François Tremblay, 2023-07-31 This open access handbook compares fiscal federalism arrangements in eleven federal decentralized countries Each chapter examines an individual country laying out its constitutional design as relates to fiscal powers and the division of those powers between levels of government Specifically the analyses consider powers of taxation spending regulation and more Focusing on Australia Brazil Canada Ethiopia Germany India Italy South Africa Spain Switzerland and the United States the contributors provide a fascinating account of how federal countries are confronting the traditional challenges of conflicts over division of fiscal powers while also coping with the ongoing challenges of globalization and citizen empowerment that arise from the information revolution As a companion to the Forum of Federations Handbook of Federal Countries 2020 this volume considers how relationships and roles in different orders of government are being reshaped and shows how local solutions inspired by global principles help strengthen government accountability and improve citizens quality of life This is an open access book **Subject-index of the Books in the Author Catalogues for the Years 1869-1895** Public Library of New South Wales.
