Dear **Elvie Block**,

I am writing to formally request additional manpower to support the Digital Transformation Project currently underway in the Operations Department. As we move into the implementation phase of this project, it has become clear that we require more skilled personnel to meet our deadlines and ensure the project's success.

Specifically, I am requesting the immediate recruitment of the following roles:

- Two Senior IT Analysts with expertise in cloud migration and systems integration.
- Three Software Developers experienced in automation and machine learning.
- One Project Manager to oversee daily operations and coordinate between teams.

These positions are crucial to maintaining the momentum of the project and achieving the milestones set for Q4 2050. The estimated start date for these roles is October 1, 2050, to align with our upcoming project deadlines. I have attached detailed job descriptions and qualifications for each role, which have been approved by the project leads.
