Research Paper On Architecture:

ARO: Architecture Research Office Stephen Cassell, Adam Yarinsky, Architecture Research Office, 2003-02-28 The process of investigation analysis and testing makes Architecture Research Office ARO as much a laboratory as a design firm For Stephen Cassell Adam Yarinsky and their team the starting point of each commission is not the development of an abstract idea for the project but an intensive hands on occupation with a project s conditions with its physical economic and social contexts This practical approach to making architecture to shrinking the distance between thinking and building is much evident in their work which manages to be simultaneously thoughtful and sensual The seven projects featured in this the first monograph on the work of this firm range from self directed research ARO s paper wall project to private living spaces the SoHo Loft to commercial interiors the Qiora Store and Spa to the popular U S Armed Services Recruiting Station in Times Square to the stunning Colorado House in Telluride All of these projects challenge design conventions while delighting the senses with their unusual materials careful detailing and unexpected spatial discoveries With essays by Stan Allen Philip Nobel Guy Nordenson and Sarah Whiting BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
