Abstract. The quantitative study mainly researches the impact of news and current affairs comments reported in the WeChat official account of *The Paper* on the communication effect of audience groups. Interviews with the followers who had focused on the online community of *The Paper* were conducted for collecting rich data. The production of questionnaires needed for the study was used to analyze the relevant data and to investigate the value and influence that the audience obtains from *The Paper* news. According to results and discussion, this research found that there are still many problems and challenges in the new media industry. In the change of traditional media thinking and the development of new media, the communication effect of news media is still unattractive in terms of content language and form, the establishment of user thinking between the news industry and the audience is blocked, and the comprehensive of media are biased, and the innovation of the news industry is insufficient. In this regard, this study puts forward improvement ideas and measures for the advantages and weaknesses of *The Paper* news communication effect. To strengthen the basic quality of the news media as the fundamental, the research emphasizes to close the distance between the public and the media and promote the reform and innovation of news and current affairs commentary so as to further enhance the publicity and influence of the news media industry.
