

Othello Research Paper Topics

- Choose one of the below topics for your research paper.
- As we read the rest of *Othello*, keep your topic in mind, taking notes on each act with a focus on the topic you have chosen. (Be sure to return to Acts I and II as well.)
- **Thus, you are preparing your research paper as we read.**
- After we complete *Othello*, you will read 2 sources which will be the research for your paper.
- Then, we will begin work on the papers. Work will be completed (mostly) in class.

1. Gender Issues

Consider the gender of the characters in *Othello*. How are the female characters portrayed? How are they different from one another? How do the male characters treat them? How does gender influence the choices that are available to the female characters and the decisions that they make? **Pay close attention to how the male characters classify women and how the female characters challenge (or not) those assumptions.** Write a paper that focuses on the female characters and explores how gender affects the plot and character development in the play.

Gayle Green: "This that you call love": Sexual and Social Tragedy in *Othello*

2. Morally ambiguous characters: Emilia

Morally ambiguous characters--- characters whose behavior discourages readers from identifying them as purely evil or purely good -- are at the heart of many works of literature. Emilia can be considered a morally ambiguous character who plays a pivotal role in *Othello*. Trace the development of Emilia's character throughout the play. How does her character change during the course of the play? **Pay close attention to moments when Emilia decides to be silent and when she decides to speak.** Write an essay in which you focus on Emilia's character: how can she be viewed as morally ambiguous? Is she redeemed at the end?

Carol Thomas Neely: Men and Women in *Othello*

3. Iago and Othello

What is the nature of this relationship? What motivates Iago to do what he does? What about Othello? Why is he so easily manipulated by Iago? Trace the relationship between Iago and Othello in the play. How does it develop? How does it change over the course of the play? How does language play a role? **Pay close attention to scenes when Iago and Othello are alone.** Write a paper in which you focus on the development of the relationship between these two characters.

Robert Pack: Incredulity and the Possible

4. Iago: psychopath? Pure evil? Or something more?

Is Iago a psychopath? Is he simply "Evil" or is there more to him? Does he have a motive or motives for his hatred of Othello? How does Iago's opinions of women play a role in the development of his character? **Pay close attention to Iago's soliloquies as well as the language/strategies he uses to manipulate other characters.** Why does he refuse to speak at the end? Write an essay in which you focus on Iago's character and consider the questions above.

Daniel Stempel: Silence of Iago

Fred West: Iago the Psychopath
