Daily Consular and Trade Reports, 1932 **Commerce Reports**, 1932 **Parliamentary Papers** Great Britain. Parliament. House of Commons, 1912 **Essays on Housing Policy** J. B. Cullingworth, 2021-03-23 Originally published in 1979 these essays provide a guide to the labyrinth of issues which together made up housing policy in the late 20th Century. The focus is on the practical and political difficulties of devising measures which meet policy objectives difficulties which are just as prevalent in the 21st Century. The search for comprehensive strategies is shown to be a vain one given the number of relevant issues and their complexity only an incremental approach is practicable. Major issues are discussed in the context of an analysis of the institutional historical and financial framework within which housing policy is formulated and operated.

Scholarly Crimes and Misdemeanors Mark Davis, Bonnie Berry, 2018-03-19 This book explores the problem of scientific dishonesty and misconduct a problem that affects all disciplines yet whose extent remains largely unknown and for which

established standards for reporting prevention and punishment are absent Presenting examples of research misconduct the authors examine the reasons for its occurrence and address the experience of victimization that is involved together with the perpetrators reactions to being accused With consideration of the role of witnesses and bystanders such as book and journal editors and reviewers students and professional organizations the book covers the many forms of academic misconduct offering a theorization of the phenomenon in criminological terms as a particular form of crime before examining the possibilities that exist for the prevention and control of scholarly crime as well as implications for further research An accessible treatment of a problem that remains largely hidden Scholarly Crimes and Misdemeanors will appeal to readers across disciplines and particularly those in the social sciences with interests in academic life research ethics and criminology
