Compendium of HHS Evaluations and Relevant Other Studies, 1990 **Compendium of HHS Evaluations and Relevant Other Studies** HHS Policy Information Center (U.S.), 1990 **Research Papers**, 1977 **SNAP Matters** Judith Bartfeld, Craig Gundersen, Timothy Smeeding, James P. Ziliak, 2015-11-25

In 1963 President Kennedy proposed making permanent a small pilot project called the Food Stamp Program FSP By 2013 the program's fiftieth year more than one in seven Americans received benefits at a cost of nearly 80 billion Renamed the Supplemental Nutrition Assistance Program SNAP in 2008 it currently faces sharp political pressure but the social science research necessary to guide policy is still nascent In SNAP Matters Judith Bartfeld Craig Gundersen Timothy M Smeeding and James P Ziliak bring together top scholars to begin asking and answering the questions that matter For example what are the antipoverty effects of SNAP Does SNAP cause obesity Or does it improve nutrition and health more broadly To what extent does SNAP work in tandem with other programs such as school breakfast and lunch Overall the volume concludes that SNAP is highly responsive to macroeconomic pressures and is one of the most effective antipoverty programs in the safety net but the volume also encourages policymakers students and researchers to continue examining this major pillar of social assistance in America

Current Economic Research on Food Stamp Use William T. Boehm, Paul Edwin Nelson, 1978 Extract This report summarizes four selected food stamp research studies made by analysts in the Economics Statistics and Cooperatives Service U S Department of Agriculture The studies focused on the Food Stamp Program's FSP effect on food prices sales by region size and kind of participating store and where and on which food items the stamps are used The studies were chosen for review because of their potential interest to consumers and food retailers A list of the studies follows this report *Food Assistance and Nutrition Research Program* Food Assistance & Nutrition Research (Program : U.S.), 2004 *Monthly Catalog, United States Public Documents* United States. Superintendent of Documents, 1973 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index *Research Papers: Philanthropic fields of interest. pt. 1. Areas of activity. pt. 2. Additional perspectives*, 1977 *Toward an End to Hunger in America* Peter K. Eisinger, 1998-10-01 Cheap plentiful food is an American tradition We spend a smaller percentage of our income on food than any other nation We feed much of the world with our surpluses Consumers retailers and restaurants throw away one quarter of our food stock every year And yet data collected by the federal government show that almost 12 percent of American households either suffer from hunger or worry about going hungry Why are so many Americans afflicted with food insecurity during such prosperous times According to this book it's not simply an artifact of poverty even most of the poorest homes have access to adequate food Nor is it indifference to their plight or a lack of ways to help Americans strongly support government food assistance and there are a host of public and private programs devoted to feeding the hungry Peter Eisinger

seeks to unravel the puzzle of America's hunger and asserts that it is a problem that can be solved. He believes that the perception of hunger and responses to it emerge from a complex intellectual, political, and social context. He begins by looking for a meaningful definition of hunger, then examines the structure and funding of government food assistance programs, the roles of Congress and community interest groups, and the contributions of volunteer organizations. He concludes by offering ideas to reduce the nation's perplexing hunger problem based on creating stronger partnerships between public and private food programs.

VISTA Currents United States. Action, 1979 **Food Stamp Act of 1964** United States. Congress. Senate. Agriculture and Forestry Committee, 1964 Congressional Record United States. Congress, 1984 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873. **Federal Register**, 1999-05-05 **Street Practice** Lori McNeil, 2016-04-01 Presenting recent studies of non-profit organizations involved in poverty relief services in New York City in comparison with programmes in existence across the US, Street Practice provides a front-line ground-level perspective on innovative research practices designed to solve community problems. It explores the manner in which organizations bridge the gap between research and policy advocacy with an account of the ways in which research contributes to alleviating or solving a community problem as well as details on successes and failures of advocacy work, problems and limitations of their research, funding constraints, and political resistance. As such, this book not only offers compelling examples of social change in action but also serves to introduce models for research and policy advocacy that can be applied similarly in other urban areas. Adopting a case-based learning approach that enables readers to better understand the dynamic process of research and policy advocacy, this innovative book will appeal to those with interests in poverty, homelessness, policy advocacy, social work, and social change.
