Vv.,2015-04-21T00:00:00+02:00 The digital age has witnessed the development of a new kind of archive immaterial living and moving largely user generated and conceived for managing a wide variety of audio visual materials besides traditional films and videos The first part of this anthology investigates the ways in which media forms like web documentaries video art and digital art web series amateur productions and also mobile films can be stored and preserved withinthe new digital repositories The second part focuses on archival and preservation practices of the video game This approach understands the archive not simply as a memory box but as a fully contemporary practice that locates new media objects in the present and acknowledges their changing cultural and

social configurations The democratic often immaterial living mobile nature of contemporary archives forces us to question whether or not the traditional notion of the archive still has a heuristic value Or if it would be perhaps better to reject any conventional idea of archive and embrace the notion of an archive *The Video Games Guide* Matt Fox,2012-12-01 The Video Games Guide is the world's most comprehensive reference book on computer and video games Presented in an A to Z format this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3 Xbox 360 Wii and PC Each game entry includes the year of release the hardware it was released on the name of the developer/publisher a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia historical notes cross referencing with other titles information on each game's sequels and of course the author's views and insights into the game In addition to the main entries and reviews a full color gallery provides a visual timeline of gaming through the decades and several appendices help to place nearly 3 000 games in context Appendices include a chronology of gaming software and hardware a list of game designers showing their main titles results of annual video game awards notes on sourcing video games and a glossary of gaming terms **Taking Video Out of the Game** Brandon Cole,2025-09-23 This book aims to provide information and in routes to one of the most complex forms of video game accessibility It promises to explain how a developer might make their game accessible to the totally blind It will break down what that means and provide plenty of examples and ideas for how developers might achieve total blind accessibility even in the largest most complex games As an experienced accessibility consultant who has worked on multiple AAA titles the author brings a wealth of practical experience to the reader VGC: The 2025 Guide to Video Games 1981 Media Ltd,2025-05-30 Relive 2024's gaming highs lows and industry upheavals with this expertly curated year in review There's no such thing as a quiet year in video games and 2024 has been no different For players a steady stream of high profile game releases has meant there's always been something new to play regardless of what console handheld PC or mobile device they were using Meanwhile behind the scenes 2024 has been one of the most turbulent years in the history of the games industry with widespread job losses studio cuts acquisitions and other controversies Video Games Chronicle the expert source for video game news has covered 2024's goings on every step of the way and this book summarises the entire year in one handy volume Designed like an old school games magazine this book presents the VGC website's best coverage of 2024 in a more traditional format Our News section takes you through all the major stories that took place throughout the year allowing you to relive every moment for better or worse Our Reviews section contains every notable VGC game review from 2024 remastered and presented to you in physical form we're big on preservation you see Our Features section offers some of our best long form articles from the past year Finally our Previews section takes a look at some of the games coming in 2025 The world of online games media is a fast moving one and news and reviews usually arrive at breakneck speed then disappear from our consciousness to be replaced with the latest stories With this book we hope to provide a more permanent

summary of the year while also harking back to the days of the games magazines we loved so much
