

RESIDENTIAL VALUATION REPORT

This valuation has been undertaken by Malcolm Gillanders who is in a position to provide an objective and unbiased valuation, has no material connection or involvement with the subject of the valuation assignment or the party commissioning the report, and is competent with the appropriate experience and qualifications to undertake the valuation.

This valuation has been prepared on instructions from P van Strien of Caine Statham for the purpose of Sale and Mortgage Security. This long form pdf report is not to be relied upon by any other person or for any other purpose. No responsibility is accepted in the event of this report being used for any other purpose or by any other party than to whom it is addressed. The publication of this report or part or any reference hereto or to the valuation figures contained herein or to the name and professional affiliation of the valuer without written approval is prohibited.

The asset valued is 6 Birkhall Grove Strathmore Park Wellington

The basis of the valuation is current market value, that is, the estimated amount for which a property should exchange on the date of valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties each acted knowledgeably, prudently, and without compulsion.

The valuation date is 8 February 2018 .

We have carried out an inspection of the property for valuation purposes, and as such this report is not a site, structural, or engineering survey, nor does this report constitute a boundary survey, survey pegs have not been located, and it is assumed that the property is built within the legal boundary.

We have sourced information in relation to this property, including a Title search, Local Body rating information, and comparative sales information.

Any other assumptions made in the preparation of this report are contained within.

This valuation has been prepared in accordance with International Valuation Standards 2017 effective from 1 July 2017 including IVS Framework, IVS 101 Scope of Work, IVS 102 Investigations, IVS 103 Reporting, IVS 104 Bases of Value and IVS105 Valuation Approaches and Methods.

Residential Property Valuation Report

Jane Forsyth

Property Valuation Report, 2003 **Introducing Property Valuation** Michael Blackledge, 2016-09-13 This new edition of bestselling textbook Introducing Property Valuation provides students with a comprehensive introduction to the concepts and methods of valuing real estate helping them to progress successfully from basic principles to a more sophisticated understanding Taking a practically oriented rather than purely theoretical approach the textbook equips readers with the skills to undertake their own valuation calculations Fully updated to reflect recent developments in regulation and practice experienced tutor and valuer Michael Blackledge demonstrates how the principles

can be applied in professional practice in line with the requirements and guidance provided by the International Valuation Standards Council and the Royal Institution of Chartered Surveyors Online material accompanies the new edition with Q As and pre programmed excel spreadsheets enabling students to prepare their own calculations The five traditional methods of valuation are outlined and the practical applications of the two main approaches the comparison and investment methods are fully explored The use of discounted cash flow and quarterly in advance calculations topics which are not always adequately covered elsewhere are also explained Accessibly written with a full range of worked examples case studies clear chapter summaries and extensive further reading suggestions this book is essential for any student of real estate and its valuation

How to Use the Uniform Residential Appraisal Report Martha R. Williams, William L. Ventolo, 1993-11 European Valuation Practice A. Adair, M.L. Downie, S. McGreal, G. Vos, 2013-03-07 The variability of valuation practice within Europe is perceived as a problem within the globalization of property This edited textbook examines the practice of real estate valuation in selected countries in Europe The focus is on countries with well developed real estate markets in which both international and indigenous investors are active The book is aimed at real estate professionals financiers institutional advisers property researchers and students who require a greater understanding of comparative property appraisal techniques applied across Europe

Residential Property Appraisal Phil Parnham, Chris Rispin, 2002-01-04 Residential Property Appraisal is a handbook not only for students studying surveying but also for surveyors and others involved in the appraisal of residential property for lending purposes It focuses on the distinct professional competencies required by Mortgage Valuations and Home Buyers Surveys and Valuations identifying and advising the reader on the extent and limitations of their activities Generously illustrated supported by real life case studies and drawing on the latest research professional and legal developments

The Valuation and Sale of Residential Property David Mackmin, 1994 This revised second edition has been updated to reflect important changes in the law relating to the practice of estate agency Mackmin explores the implications of changes under the Estate Agents Act Property Misdescription Act the Council Tax and changes in the practice of mortgage valuation He also looks at the changes relating to the landlord tenant relationship with regard to tenanted residential property

Real Estate Valuation Theory Ko Wang, Marvin L. Wolverton, 2012-12-06 Real Estate Valuation Theory is organized around five categories of intellectual contribution to the whole appraiser decision making and valuation accuracy application of nontraditional appraisal techniques such as regression and the minimum variance grid method appraising contaminated property ad valorem tax assessment and new perspectives on traditional appraisal methods One common thread is that all of the papers are exceptionally well written and thought provoking

Residential Construction Law Philip Britton, Matthew Bell, Deirdre Ní Fhloinn, Kim Vernau, 2025-09-18 This new edition tells you all you need to know about how construction defects in homes occur how they might be prevented and how they might be cured Her Honour Frances Kirkham CBE Atkin Chambers The first edition of Residential Construction Law in 2021

offered the only systematic and analytical overview of the legal framework for residential construction. Since then there have been significant legislative and caselaw developments across the UK, Aotearoa New Zealand, Australia, and Ireland. In this second edition, the authors and their team of specialist contributors have completely revised the content, taking these changes into account. This new edition refers to more than 350 new cases, along with ground-breaking reforms like the UK's Building Safety Act 2022 and lessons from the September 2024 Phase 2 report of the Grenfell Tower Inquiry. The book also anticipates planned reforms, including sweeping changes in several Australian states. The revised edition retains the book's highly accessible structure and readability, making it an indispensable guide for lawyers, industry professionals, and homeowners seeking to come to grips with the principles of residential construction law. It also provides an essential starting point for students and practitioners needing to understand the detail of this specialist area. It provides clear statements of the relevant law, explaining, aided by case studies, diagrams, text tables, and a glossary, the law's intended policy outcomes and techniques. It also provides a critical view of areas where those goals have not been attained, requiring further reform. Accompanying online resources for this title can be found at [bloomsbury pub residential construction law](https://www.bloomsburypub.com/9781351200000).

Residential Property Valuation Report Introduction

In today's digital age, the availability of Residential Property Valuation Report books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Residential Property Valuation Report books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Residential Property Valuation Report books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Residential Property Valuation Report versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Residential Property Valuation Report books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Residential Property Valuation Report books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Residential Property Valuation Report books and manuals is

Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Residential Property Valuation Report books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Residential Property Valuation Report books and manuals for download and embark on your journey of knowledge?
