Roots And Wings

**Samuel C. Stringfield, Steven M.
Ross, Lana Smith**

Roots And Wings:

Roots and Wings of Action Research for Territorial Development Miren Larrea, 2024-11-25 No es solo el contenido académico lo que hace especial a este libro. Es la propia concepción de la investigación y su comunicación lo que le convierte en una obra que va mucho más allá de su especialidad: la investigación acción para el desarrollo territorial. Esta obra colectiva, coordinada por la investigadora Miren Larrea, hace una apuesta decidida por modificar los patrones clásicos de la comunicación científica en absoluta consonancia con la naturaleza de la investigación que proponen sus autores. El libro incorpora distintos tipos de textos para recoger un diálogo entre investigadores y agentes implicados y favorecer así una escucha mutua. Pero además recurre al multilingüismo para que los autores comuniquen mejor lo que quieren comunicar y a quienes deben comunicárselo. Ambas opciones, diversidad de textos y multilingüismo, conectan mundos que deben estar ligados: investigadores y actores en lo territorial, lo local y lo internacional; el idioma con la investigación apegada al territorio y lo teórico con lo aplicado. De este modo, los autores velan porque la investigación permee y llegue a su destino natural, pero también porque crezca gracias al intercambio de conocimientos y experiencias que propician. A través de las formas de comunicación elegidas, se pone de manifiesto la necesidad de que la investigación social suceda no solo en el ámbito de lo académico y no solo en inglés. Por eso tiene un valor singular, incluso para los no especialistas en este tema, que hay que agradecer a su editora, al conjunto de coautores y a la editorial Elea. Giménez Toledo. Investigadora del CSIC. Roots and Wings Stacey York, 2016-06-27 Use the updated activities, examples, and research to improve your anti-bias and multicultural education programs. This clear and practical guide includes expanded information on English language learners, family engagement, culturally responsive teaching, and staff training. Stacey York teaches child development at Rochester Community and Technical College and established E-LECT, a collaborative effort between thirteen Minnesota community and technical colleges to provide e-learning for early childhood teachers. **Roots and Wings, Revised Edition** Stacey York, 2003-06-01 A new edition of the best-selling guide to multicultural education for young children. **Social Programs that Work** Jonathan Crane, 1998-05-07 Many Americans seem convinced that government programs designed to help the poor have failed. *Social Programs That Work* shows that this is not true. Many programs have demonstrably improved the lives of people trapped at the bottom of the social and economic ladder. *Social Programs That Work* provides an in-depth look at some of the nation's best interventions over the past few decades and considers their potential for national expansion. Examined here are programs designed to improve children's reading skills, curb juvenile delinquency and substance abuse, and move people off welfare into the workforce. Each contributor discusses the design and implementation of a particular program and assesses how well particular goals were met. Among the critical issues addressed: Are good results permanent or do they fade over time? Can they be replicated successfully under varied conditions? Are programs cost-effective and, if so, are the benefits seen immediately or only over the long term? How can public support be garnered for a large upfront investment whose returns

may not be apparent for years Some programs discussed in this volume were implemented only on a small experimental scale prompting discussion of their viability at the national level An important concern for social policy is whether one shot programs can lead to permanent results Early interventions may be extremely effective at reducing future criminal behavior as shown by the results of the High Scope Perry preschool program Evidence from the Life Skills Training Program suggests that a combination of initial intervention and occasional booster sessions can be an inexpensive and successful approach to reducing adolescent substance abuse Social Programs That Work also acknowledges that simply placing welfare recipients in jobs isn't enough they will also need long term support to maintain those jobs The successes and failures of social policy over the last thirty five years have given us valuable feedback about the design of successful social policy Social Programs That Work represents a landmark attempt to use social science criteria to identify and strengthen the programs most likely to make a real difference in addressing the nation's social ills

Bold Plans for School Restructuring Samuel C. Stringfield, Steven M. Ross, Lana Smith, 2012-11-12 Two powerful forces are driving American's demands for better schools one longstanding force is idealistic and the other is new and economic The current group of young Americans is in danger of being the first full generation to consistently make less money and enjoy fewer worldly rewards than their parents The intersection of idealistic and pragmatic forces has produced an era of calls for reform in U.S. education that is unparalleled calls that have resulted in the creation of the New American Schools Development Corporation NASDC The chapters in this book highlight the path traveled by NASDC a private non profit corporation charged with creating new break the mold school designs for the 21st century and describes the first three years accomplishments of nine NASDC development teams

Tools for Schools, 1998 *Education for All* Robert E. Slavin, 1996-01-01 This work is a collection of previously published articles by Robert Slavin The articles trace the evolution over a quarter century of the powerful idea that given well developed rigorously evaluated methods and materials teachers can succeed with virtually all children *The Global Cosmopolitan Mindset* Linda Brimm, 2018-05-12 A growing number of people in the world have embraced globalization and actively seek opportunities to live study and work in other cultures Highly talented and deeply motivated they have been shaped by the new political economic opportunities technological realities and personal choices that have configured their lives They are the Global Cosmopolitans Professor Linda Brimm whose last book *Global Cosmopolitans The Creative Edge of Difference* defined and named this phenomenon now introduces the *Global Cosmopolitan Mindset and Skillset* and examines what are the dilemmas and opportunities of composing a global life over time Dr Brimm has interviewed Global Cosmopolitans at different life stages and has garnered insights from those on the front line of the global economy She describes how they understand the life dilemmas and opportunities implicit in navigating the rapidly changing global environment and how they learn from the lives they are creating While these are people using the expertise developed over their global journey to manage change lead organizations make a difference in the world or create their own ventures she

helps us understand what they have learned and how this global learning opportunity has contributed to the development of a Global Cosmopolitan Mindset and Skillset This book relates some of the stories that global leaders and entrepreneurs have shared with Dr Brimm These concrete examples help us understand what the individuals have learned from their personal experience Emerging from these stories are the unique attitudes and skills that are necessary to confront life challenges embrace change and take steps to create new life chapters Whether you are a Millennial considering joining this Cosmopolitan Club an existing Global Cosmopolitan reflecting on what is next someone in mid career contemplating an international move part of an organization trying to develop its responses to a global workforce or a leader considering who can best run global organizations this book provides a unique insight into the Global Cosmopolitan Mindset and Skillset as well as the challenges and rewards of pursuing a global life

Roots and Wings Lisa Kahl,2018-11-21 *Roots and Wings* awakens readers to wisdom revealed in the woods A collection of poems each inspired by a tree proclaims that there are messages all around us Drawing on experiences with nature and with life itself the author connects with Spirit unveiling timeless truths about love and the Divine Nature is forever offering the opportunity to become conscious of our surroundings serving as a lens for transformation We need only to open our hearts to see to be among the trees is to be in the presence of God on a path to seeking discovering and living the truth

Reality-Based Parenting

REV. ROBERT D. ZANCAN,2015-10-05 *Reality Based Parenting How Parents of African Descent Can Cultivate Loving Relationships With their Children* is a thoughtful inspirational sensitive and culturally driven how to manual designed for parents in the African diaspora who long to know themselves The cumulative effect of self discovery development of self awareness and acquisition of self knowledge is the transmission of cultural and spiritual heritage to the next generation As a developmental and transformational process Reality Based Parenting is culturally specific not universal This is based on the multi cultural premise of fullness before overflow That is to say a group must recognize and affirm itself before it is able to share and appreciate the differences of others Cultural competency then is the distinguishing characteristic of reality based parenting Through this book parents are enabled to use what they have their cultural strengths to obtain what they want a tested plan for nurturing children a formula for instilling disciplining in the young a model for psycho social recovery Conscientious readers are inspired to apply the books content to activities of daily living so that our sons may flourish in their youth like well nurtured plants and our daughters may be like cornerstones polished after the similitude of a palace Psalms 144 12 14

Couple Burnout Ayala Pines,2013-12-19 *InCouple Burnout* Ayala Pines offers a unique model to combat relationship burnout by describing the phenomenon of couples burnout its causes danger signs and symptoms and the most effective strategies therapists can use Distinguishing burnout from problems caused by clinical depression or other

pathologies Pines combines three major clinical perspectives that are used by couple therapists psychodynamic systems and behavioral with additional approaches that focus attention on the social psychological perspective and existential perspective to couples problems

Alternative Schools Brenda Edgerton Conley,2002-11-22 An examination of the growth and development of alternative schools in American society and their role in the public school environment In *Alternative Schools A Reference Handbook* educator Brenda Edgerton Conley surveys the emerging alternatives to our conventional educational system a system that is not only costly but ineffective for many children In a resource aimed at a broad audience school administrators politicians and most important parents Conley offers both a historical and a present day perspective on alternative educational programs What sets the alternative education movement apart she argues is its acknowledgment that we all learn differently That knowledge has given rise to an explosion of exciting alternatives from open schools to home schooling from charter schools to church schools These alternative schools are smaller and less bureaucratic more responsive to the community and more receptive to change

The Heartbeats of Remembrance Pasquale De Marco,2025-04-17 Embark on a poignant and enlightening journey through the corridors of time in *The Heartbeats of Remembrance* a profound exploration of our ancestral heritage and the enduring bonds that connect us to our past Within these pages you ll find a treasure trove of insights stories and revelations that shed light on the lives of those who came before us Through meticulous research and captivating storytelling Pasquale De Marco unveils the hidden chapters of family history uncovering the triumphs struggles and sacrifices of our ancestors With each turn of the page you ll discover the resilience of the human spirit and the extraordinary tapestry of our shared lineage *The Heartbeats of Remembrance* delves into the significance of our roots demonstrating how they shape our identity values and aspirations It explores the intricate web of relationships that bind us together revealing the profound impact of our ancestors on our present and future More than a mere historical account *The Heartbeats of Remembrance* is an invitation to embark on a personal journey of self discovery It encourages us to embrace our heritage with pride to honor the sacrifices of those who paved the way and to forge a path forward that is both meaningful and fulfilling With its evocative prose and thought provoking insights *The Heartbeats of Remembrance* is a literary masterpiece that will captivate readers of all ages It is a timeless exploration of the human experience that will leave an indelible mark on your heart and mind If you like this book write a review on google books

After the Boxes Are Unpacked Susan Miller,2016-04-01 An essential relocation guide refreshed and updated for today s movers More than 34 million Americans move each year and studies show it can be one of the heaviest strains on a marriage For women especially relocating can be a traumatic event With true stories ingenious insights and helpful hints this great book makes transitioning smoother so women can get on with their lives Those who are moving will find this valuable book as important as packing tape Divided into three sections *After the Boxes are Unpacked* helps recent movers focus on letting go of their past starting over and moving ahead Topics include the following How to manage the emotional stress of

leaving family and friends How to support your spouse through a relocation How to build new relationships in a new city How to help children adjust to new surroundings and make friends How to find a new church home How to navigate financial challenges related to moving How to discover God's will for you and your family in a new city This evergreen book has been a staple for movers for 20 years and has been extensively refreshed with additional content for today's movers Susan is doing a tremendous job of helping women deal with the trauma of transition This resource will help anyone who wants to move ahead in a healthy way after they've experienced a move I highly recommend this book John Trent PhD President of StrongFamilies.com

To Dream as God Dreams Porter Taylor, 2005-03-01 Porter Taylor known for his wonderful preaching always has something unusual and thoughtful to say Forgive us our weeds as we forgive the weediness of others he writes in one sermon on the parable of the wheat and the weeds In another he reflects on why the book of Ecclesiastes shouldn't be read by anyone who isn't at least 35 At their best Taylor writes sermons are about things that matter To Dream as God Dreams is about those things that matter finding our home in a storm the roots and wings we need as people of faith contagious love and more These sermons about the importance of community the need for conversion and the power of hopefulness make wonderful devotional reading and are an inspirational source for others who preach

Making a Living Without a Job Barbara Winter, 2009-07-22 A guide to making money sans job offers insight provoking interactive tests self evaluations charts and checklists as well as numerous anecdotes about people who are successfully self employed If you are ready to stretch your mind to the idea of making a living without a job you'll find plenty of encouragement and practical information here Designing a lifestyle for yourself that nurtures and supports who you are and what you value won't happen instantaneously but this book will certainly make the process simpler and easier for you Becoming joyfully jobless begins with a commitment to self discovery a curiosity about your potential and a willingness to acquire the information and skills that will enhance your work Your way will be unlike anyone else's although you will share a deep camaraderie with others on this path Being your own boss is both heady and humbling but it's seldom boring Barbara J Winter from the Introduction

The Story of White Hall Centre Pete McDonald, 2018-05-01 *Family Affair* Gil L. Robertson, 2009-03-01 It's no secret that the African American community is in crisis From health disparities and political injustice to crime statistics and a variety of social ills it is a community teetering on the edge Through personal stories and essays Family Affair addresses this imbalance offering insight on issues and topics that the majority of African Americans only talk about in secret The goal to stimulate dialogue that supports reflection healing and understanding Family Affair comprises five sections representing the key features that influence the African American identity History Politics Behavior Beliefs and Self evaluation The book showcases a wide cross section of contributors representing various elements of the black community Each section features at least one religious leader and one institutional leader as well as many celebrities from the worlds of music and broadcasting along with ordinary people with extraordinary stories
