E. Zuelow, 2009-03-01 From the dark shadow of civil war to the pastel painted towns of today Making Ireland Irish provides a sweeping account of the evolution of the Irish tourist industry over the twentieth century Drawing on an extensive array of previously untapped or underused sources Eric G E Zuelow examines how a small group of tourism advocates inspired by tourist development movements in countries such as France and Spain worked tirelessly to convince their Irish compatriots that tourism was the secret to Ireland's success Over time tourism went from being a national joke to a national interest Men and women from across Irish society joined in eager to help shape their country and culture for visitors eyes The result was Ireland as it is depicted today a land of blue skies smiling faces pastel towns natural beauty ancient history and timeless traditions With lucid prose and vivid detail Zuelow explains how careful planning transformed Irish towns and villages from grey and unattractive to bright and inviting sanitized Irish history to avoid offending Ireland's largest tourist market the English and supplanted traditional rural fairs revolving around muddy animals and featuring sexually suggestive ceremonies with new family friendly festivals and events filling today's tourist calendar By challenging existing notions that the Irish tourist product is either timeless or the consequence of colonialism Zuelow demonstrates that the development of tourist imagery and Irish national identity was not the result of a handful of elites or a postcolonial legacy but rather the product of an extended discussion that ultimately involved a broad cross section of society both inside and outside Ireland Tourism he argues played a vital role in making Ireland Irish Let's Go Ireland 13th Edition Let's Go Inc., 2007-11-27 Offering a comprehensive guide to economical travel in diverse regions of the world these innovative new versions of the popular handbooks feature an all new look sidebars highlighting essential tips and facts information on a wide range of itineraries transportation options off the beaten path adventures expanded lodging and dining options in every price range additional nightlife options enhanced cultural coverage shopping tips maps 3 D topographical maps regional culinary specialties cost cutting tips and other essentials **Ireland For Dummies** Elizabeth Albertson, 2009-04-20 Relatively tiny Ireland 32 600 sq miles packs great attractions into a small area You can pack a lot of diverse experiences into your trip with this book as your guide Climb the cliffs Kiss the blarney stone Have a bowl of Irish stew and a pint of Guinness in a local pub Pay homage to literary giants W B Yeats James Joyce or Frank McCourt Play championship golf courses Whether you're a book lover or a golf nut a history buff or a Celtic music fan a full fledged adventurer or a laid back sight seer you'll find plenty to enjoy in this guide that gives you the scoop on Historic sights including the 5 000 year old Newgrange Tomb the burial mounds at Knowth the storied Hill of Tara ancient seat of the Irish high kings and Glendalough a monastic community founded in the sixth century Gorgeous natural wonders including the sheer Cliffs of Moher and Slieve League cliffs the rocky
