times like a novel inhabiting a Gestapo safe house acting as a stool pigeon entrusted with a mission sanctioned by Heinrich Himmler yet much of it is true albeit highly embellished by Seth who was quite capable of weaving the most elaborate fantasies He was an unlikely hero whose survival owed more to his ability to spin a tale than to any daring qualities Operation Blunderhead is a compelling and original account of an extraordinary episode of the Second World War a brilliant blend of fact and fiction contrasting material taken from SOE and MI5 files with Seth's own fantastical story
