#### Test Description

Microsoft Word 2013 aims at evaluating the skill level of the test taker in navigating through Microsoft Word 2013 as well as their ability to complete several commonly used tasks. The Whole Test combines both the Normal and Power User tests.

Among the tasks included in the Microsoft Word 2013 - Normal User test are formatting a document, inserting pictures, creating tables, sorting data, and conducting mail merges.

This Microsoft Word 2013 - Power User test attempts to provide the basis for separating candidates who possess limited exposure to Microsoft Word 2013 with those who are conversant with the full functionality of the software. Advanced formatting, Charts, Themes, Styles and Table of Contents are among some of the topics addressed in this examination. This test is designed to assess
