- 4 A good fortune was yet at his hands and as he was now growing old he wished to make some kind of a settlement before going into the great beyond and he gave it much thought.
- 5 As he thought about the matter he had to come to no other conclusion but that his sons were always querrelling and never could seem to agree on anything amongst themselves.
- 6 This worried the old man a lot and at last he thought he could try and find some method of showing them how they would not gain anything by arguing among themselves as it would only encourage others to gain what little they might have.
- 7 So at last he called them all before him as they came in from the field after work.
- 8 He had the youngest of them all to go gather him seven sticks of small size and he placed them all together and tied them.
