mere input into the cognitive or affective systems the visual processes both voluntarily and involuntarily affect the amount and quality of information that is passed into further mental processing Moreover advertisements provide a well designed rich and stimulating environment to study visual processes in real life conditions Consumers encounter thousands of advertisement messages per day Previous research on visual perception of advertising mostly considers print advertising However advertising messages increasingly appear in a variety of formats and in different media Part of these messages are still conveyed through traditional media such as newspapers magazines television as well as outdoor and supermarket advertising In addition the amount and diversity of visual marketing stimuli is rapidly growing in terms of different advertising formats appearing in online and social media smartphones and tablets This challenges the marketing professionals and academics to better understand the impact of marketing on consumers At the same time the technical development of the research methods allows better opportunities to investigate advertising perception in different environments Traditionally papers investigating the psychological processes underlying advertising perception are published in journals widespread across different disciplines such as marketing applied psychology and human computer interaction journals With this Research Topic we aim to create a forum in which experts in different fields define the state of the art and future directions of the research on the visual aspects of marketing We include reviews and original research papers involving both empirical and theoretical studies on visual perception of advertising across different media

A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris, 2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the xBox One and Wii U Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed In addition to its beefier hardware Sony has added a variety of new and innovative features including the Dualshock 4 controller the PlayStation Camera and the PlayStation Move controller Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4 The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button Ever wanted to share a video of yourself beating that final boss with your

Facebook friends With the PS 4 this is now possible with just a couple of button presses using the new Share button on the Dualshock 4 controller In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4 s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4 s web browser is as easy and intuitive as the web browser on your computer and it s automatically compatible with the web s most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial

A Beginners Guide to Using PlayStation TV
Katie Morris, 2014-11-03. So you're about to welcome the newest addition to the Sony PlayStation device family into your life: the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter and cheaper, cloud-based future for console gaming. PS TV brings together a significant cross-section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross-Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3, and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents, and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being. This guide will tell you everything you need to know about the PS TV, and then some. There's plenty of information here for total PlayStation newbies wondering what in the world DualShock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV.
