Forensic Psychological Assessment in Immigration Court Barton Evans, III, Giselle A. Hass, 2018-04-09

Forensic Psychological Assessment in Immigration Court is an essential specialized guide for psychologists and clinicians who work with immigrants. Immigration evaluations differ in many ways from other types of forensic assessments because of the psycholegal issues that extend beyond the individual including family dynamics, social context, and cross-cultural concerns. Immigrants are often victims of trauma and require specialized expertise to elicit the information needed for assessment. Having spent much of their professional careers as practicing forensic psychologists, authors Evans and Hass have compiled a comprehensive text that draws on forensic psychology, psychological assessment, traumatology, family processes, and national and international political forces to present an approach for the effective and ethical practice of forensic psychological assessment in Immigration Court.

Handbook of Psychology, Assessment Psychology John R. Graham, Jack A. Naglieri, 2003-03-11. Includes established theories and cutting edge developments. Presents the work of an international group of experts. Presents the nature, origin, implications, and future course of major unresolved issues in the area.

Ethics for Psychologists Liang Tien, Amy Davis, Thomas H. Arnold, G. Andrew H. Benjamin, 2011-10-26. I think that one of the great strengths of this book is its real-life cases for the students to examine from multiple perspectives. Sherry Dingman, Marist College. This book approaches ethics from a unique perspective that appeals to students. In addition to providing stimulating cases, it provides the framework and legal background important to psychologists in training. Amazing work. The vignette approach makes the book much more interesting than its competitors.
