Rock Star Redemption:

Rockstar Games and American History Esther Wright, 2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar's franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar's version of American history look like and how is it communicated through critically acclaimed titles like Red Dead Redemption 2010 and L A Noire 2011 By combining analysis of Rockstar's games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U S history and culture It explores the ways in which Rockstar's brand identity and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U S history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here https://youtu.be/AaC_9XsXCQ

Rewriting Us 2: His Not So Perfect Wife Rose James, Alexia Praks, 2025-03-23. The story was perfect until I rewrote it. Now I have to choose: stick to the script or write my own happy ending. I thought I knew exactly how this story would end. The villainess wife gets her comeuppance, the hero finds his true love, and everyone lives happily ever after. Except I've gone completely off script. As Victoria Everett, I was supposed to be Manhattan's ice queen, the woman Jason needed to divorce to find his destiny. Instead, I've fallen harder than a romance novel heroine, and Jason's kisses are rewriting everything I thought I knew about love. But when the original story demands its ending, I'll have to decide: do I play my assigned role or fight for a love that was never supposed to be mine. One thing's certain: this is one story that won't end the way anyone expected. His Not So Perfect Wife is the conclusion of this steamy contemporary billionaire romance duet. This book contains the satisfying HEA that Jason and Victoria deserve, with enough steam to require a cold shower. Must read. Book 1: His Not So Villainess Wife; first REWRITTEN LOVE SERIES. Rewriting Us Duet: Jason and Victoria. Zoe. Book 1: His Not So Villainess Wife; Book 2: His Not So Perfect Wife.

Major Labels Kelefa Sanneh, 2021-10-05. One of Oprah Daily's 20 Favorite Books of 2021. Selected as one of Pitchfork's Best Music Books of the Year. One of the best books of its kind in decades. The Wall Street Journal. An epic achievement and a huge delight: the entire history of popular music over the past fifty years, refracted through the big genres that have defined and dominated it. Rock & R music is a powerful tool for human connection, but also for human antagonism. This is a book about the music everyone loves, the music everyone hates, and the decades-long argument over which is which. The opposite of a modest proposal. Major Labels pays in full.

Enchantment C. Stephen Jaeger, 2012-03-19. What is the force in art? C. Stephen Jaeger asks that can enter our consciousness, inspire admiration or imitation, and carry a reader or viewer from the world as it is to a world more sublime. We have long recognized the power of individuals to lead or enchant by the force of

personal charisma and indeed in his award winning *Envy of Angels* Jaeger himself brilliantly parsed the ability of charismatic teachers to shape the world of medieval learning In *Enchantment* he turns his attention to a sweeping and multifaceted exploration of the charisma not of individuals but of art For Jaeger the charisma of the visual arts literature and film functions by creating an exalted semblance of life a realm of beauty sublime emotions heroic motives and deeds godlike bodies and actions and superhuman abilities so as to dazzle the humbled spectator and lift him or her up into the place so represented Charismatic art makes us want to live in the higher world that it depicts to behave like its heroes and heroines and to think and act according to their values It temporarily weakens individual will and rational critical thought It brings us into a state of enchantment Ranging widely across periods and genres *Enchantment* investigates the charismatic effect of an ancient statue of Apollo on the poet Rilke of the painter Durer's self portrayal as a figure of Christ like magnificence of a numinous Odysseus washed ashore on Phaeacia and of the black and white projection of Fred Astaire dancing across the Depression era movie screen From the tattoos on the face of a Maori tribesman to the haunting visage of Charlotte Rampling in a film by Woody Allen Jaeger's extraordinary book explores the dichotomies of reality and illusion life and art that are fundamental to both cultic and aesthetic experience

Dream Magic Michelle Mankin, The dreamscape is a place of magic and mystery and meaning In that nocturnal realm ideas images sensations and emotions drift on the currents of the unconscious mind Morpheus the Dream Falcon is most at home in that domain By night the one of a kind winged immortal soars on those winds observing and sometimes even entering the slumbering thoughts of another By day he is a highly sought after mercenary feared by his immortal kin for both his unmatched ferocity and his wicked obsidian talons None of his prey escapes him Cecilia Ramirez y Aguilera is the one he truly wants But the striking oracle of the Court of the Light Immortals is closed to the handsome outlaw even in her dreams Broken by unimaginable losses the seer is but a slave subject to the whims of a master who is mad and without mercy Drawn together by fate their impossible passion ignites But will that be enough to overcome the dangerous secrets each keeps from the other Or will mistrust and the desire for revenge threaten to unravel the powerful magic that binds them

Playing with the Guys Marc A. Ouellette, 2021-06-08 A lot of work has been done talking about what masculinity is and what it does within video games but less has been given to considering how and why this happens and the processes involved This book considers the array of daily relationships involved in producing masculinity and how those actions and relationships translate to video games Moreover it examines the ways the actual play of the games maps onto the stories to create contradictory moments that show that while toxic masculinity certainly exists it is far from inevitable Topics covered include the nature of masculine apprenticeship and nurturing labor fatherhood the scapegoating of women and reckoning with mortality among many others
