ONE Mark Brand, 2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen

The First Chapters Charles E. Hill, 2022 The First Chapters uncovers the origins of the first paragraph or chapter divisions in copies of the Christian Scriptures Its focal point is the magnificent fourth century Codex Vaticanus Vat gr 1209 B 03 perhaps the single most significant ancient manuscript of the Bible and the oldest material witness to what may be the earliest set of numbered chapter divisions of the Bible The First Chapters tells the history of textual division starting from when copies of Greek literary works used virtually no spaces marks or other graphic techniques to assist the reader It explores the origins of other numbering systems like the better known Eusebian Canons but its theme is the first set of numbered chapters in Codex Vaticanus what nineteenth century textual critic Samuel P Tregelles labelled the Capitulum Vaticana It demonstrates that these numbers were not as most have claimed late additions to the codex but belonged integrally to its original production The First Chapters then breaks new ground by showing that the Capitulum Vaticana has real precursors in some much earlier manuscripts It thus casts light on a long continuous tradition of scribally placed visual guides to the reading and interpreting of Scriptural books Finally The First Chapters exposes abundant new evidence that this early system for marking the sense divisions of Scripture has played a much greater role in the history of exegesis than

has previously been imaginable **Synopsis Purioris Theologiae / Synopsis of a Purer Theology** ,2014-09-11 This bilingual edition of the Synopsis Purioris Theologiae 1625 makes available for the first time to English readers a seminal treatise of Reformed Scholasticism Composed by four professors of Leiden University Johannes Polyander Andreas Rivetus Antonius Walaeus and Anthonius Thysius it gives an exhaustive yet concise presentation of Reformed theology as it was conceived in the first decades of the seventeenth century From a decidedly Reformed perspective the Christian doctrine is defined in contrast with alternative or opposite views Catholic Spiritualist Arminian Socinian Both on the academic level and on the ecclesiastical level the Synopsis responds to challenges coming from the immediate context of the early seventeenth century The disputations of this first volume cover topics such as Scripture doctrine of God Trinity creation sin Law and Gospel Volume One was published in 2014 Volume Two came out in 2016 Volume Three the final volume is expected late 2019 The Meaning of Ephesians Edgar J. Goodspeed,2012-03-07 God is One Christopher R. Bruno,2014-03-27 In discussions of Paul s letters much attention has been devoted to statements that closely identify Christ with Israel s God i e 1 Cor 8 6 However in Rom 3 30 and Gal 3 20 Paul uses the phrase God is one to link Israel s monotheistic confession and the inclusion of the Gentiles in the people of God Therefore this study traces the OT and early Jewish backgrounds of the phrase God is one and their possible links to Gentile inclusion Following this Christopher Bruno examines the two key Pauline texts that link the confession of God as one with the inclusion of the Gentiles Bruno observes a significant discontinuity between the consistent OT and Jewish interpretations of the phrase and Paul s use of God is one in relation to the Gentiles In the both the OT and early Jewish literature the phrase functions as a boundary marker of sorts distinguishing the covenant people and the Gentiles The key exception to this pattern is Zech 14 9 which anticipates the confession of God as one expanding to the nations Similarly in Romans and Galatians the phrase is not a boundary marker but rather grounds the unity of Jew and Gentile The context and arguments in Rom 3 30 and Gal 3 20 lead to the conclusion that Paul s monotheism must now be understood in light of the Christ event moreover Zech 14 9 may play a significant role in the link between Paul s eschatological monotheism and his argument for the inclusion of the Gentiles in Romans and Galatians Book of Books John Schaller,1990-01-01 What is each book of the Bible about Before you begin your study of the Bible why not start with a brief overview of the Book itself Book of Books provides you with a quick introduction to the author content and purpose of each book of the Bible It includes introductions to the Apocrypha a brief review of Jewish history an introduction to New Testament manuscripts an introduction to the Dead Sea Scrolls and a critical review of several translations of the Bible including the New Living Translation and God s Word After reading this helpful book you ll know what each book of the Bible is all about Book of Books is a part of The People s Bible series Many people have found The People s Bible to be the most reliable Bible commentary series available It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture Each volume also includes that book s complete text from NIV Bible The

Heavenly Stories Alexander Kocar, 2021-07-30 Salvation is often thought to be an all or nothing matter you are either saved or damned In the ancient world some figures including Paul the Apostle John of Patmos Hermas the Sethians and the Valentinians did not think this way however For them there were multiple levels of salvation Examining the reasons and implications for why these important thinkers believed that salvation comes in degrees Heavenly Stories offers a fresh perspective on ancient thinking about responsibility especially as it intersects with concerns such as genealogy and determinism It shows why Jews and Christians of various kinds some eventually declared orthodox others heretical correlated ethics and soteriology and argued over how this should be done By constructing a difference between a lower and higher level of salvation ancient authors devised soteriological hierarchies that could account for ethical imperfections and social differentiation between their communities and outsiders as well as reinforce idealized portrayals of conduct among members of their own groups Alexander Kocar asks how these thinkers identified and described these ethical and social differences among people what commitments motivated them to make such distinctions what were the social effects of different salvific categories and ethical standards and what impact did hierarchically structured soteriologies have on notions of ethical responsibility His findings have repercussions for the study of ancient ethics especially free will and responsibility our understanding of orthodoxy and heresy and scholarly debates surrounding the origins of Christianity as a movement that allegedly transcends ethnic boundaries

CONDEMNED ALREADY David A Swincer, 2011-05-28 At most evangelistic as opposed to evangelical meetings the preacher is at pains to demonstrate that all are sinners and that each person needs to repent of his own personal sin and to individually accept the redemptive sacrifice of Christ for himself Respondee are usually counselled using verses like Ezekiel 18 4 The soul who sins is the one who will die and Romans 3 23 For all have sinned and fall short of the glory of God Deuteronomy 24 16 could be added Fathers shall not be put to death for their children nor children put to death for their fathers each is to die for his own sin But in many cases there is apparent unwitting duplicity Although personal culpability for sin has been enjoined on the sinner the common belief is that it is really Adam's sin that is the problem Adam's sin has caused all men to be condemned not in fact their own sin If true that is deception in evangelism even if unwitting More basic the general picture of salvation in the context of the doctrine of original sin is that all men have become sinners not so much on their own account but in some way due to their descending from

Adam and that Christ's one death on the cross accounts for all sins of all men of all time unless one has a theory of limited atonement. This general statement in spite of voluminous attempted theological reasoning seems to fall short of adequately addressing a number of issues of a significant and disturbing theological nature. If Adam sinned a sin for which he alone was responsible, why should any other man also be held culpable for Adam's sin? This is the problem of Alien Guilt. How can God be considered just when He is deemed to have condemned all men of all time for one man's indiscretion? Is the individual man responsible for his own sin or is he Condemned Already? Alternatively and significantly, if an individual man is held to be responsible and culpable for his own sin, when did he first sin in order to become a sinner, thus deserving of spiritual separation from God? We must identify a CAUSATIVE sin which takes a man from innocence to being a sinner, and when this took place. Was it at birth by the act of conception which would remove his personal culpability for this causative sin after birth at some nebulous age of accountability or at some other time? This question must be answered. Further, if Adam's sin has led to my condemnation, how can I repent of Adam's sin since it is not my own sin? How then can I become a Christian if I am condemned for Adam's sin rather than my own? I can't repent of Adam's sin. THIS IS A PIVOTAL CONSIDERATION. Any adequate doctrine of original sin must be able to show not only the universality of sin but also the individual culpability of each man for his own sin and that he is therefore justly condemned on his own account. Only thus can we be honestly evangelistic. These questions will be addressed seeking to establish in particular the individual culpability and responsibility of each man in the process of becoming a sinner, the causative sin and his personal culpability in his life as a sinner. Subsequently in volume two, after a person becomes a Christian, we will address his personal culpability in his Christian walk. Simultaneously in each of these scenarios, the justice and righteousness of God will be demonstrated both in His condemnation of all mankind for original sin, the causative sin, and also in His calling of each Christian to full personal accountability for his actions and thoughts. Finally in this volume we will see that the one death of Christ on the cross is sufficient for the one sin of all men.
